

The Milestone '52

Dedication

Dedication

We, the Senior Class of 1951, respectfully and heartily dedicate "The Milestone" to one who has so faithfully guided us through sorrow and happiness for the past four years.

For her interest in the advancement of our desires, and progress toward success. We take great pleasure in dedicating this book to Mrs. Estelle Bobbitt, a teacher who will forever remain a part of each Senior's heart.

Prophecies as Seen From The Crow's Nest

CLAUDE WILLIAMS kissed all the babies;
Won the election; got to be
Mayor of our little city.
He'll be governor; wait and see.

Hat designer in the city;
TOSSIE DUNNING's mind runs riot;
No one should make hats of spinach--
But watch our TOSSIE try it!

Solemn undertaker PAUL PARKS
Chuckles when you sneeze or cough;
Hoping some bewhiskered microbe
Soon will cause you to "pop off".

'Mongst files and typing; books and ledgers;
MARY GRISSOM's never at a mental loss;
Most efficient in an office--
(And she weds that bald-headed boss.)

Imagine our friend, JIMMY KILLION,
Teacher in a Sunday School;
Busy making saints of sinners;
Laying down the Golden Rule.

Train dispatcher in Grand Central,
DORIS HIGGINS's booming voice is heard
Blasts your ear drums; but catch is,
You can't understand a word.

Artist JERRY BARNER paints strange pictures;
Masterpieces by the score;
While a dozen luscious models
Wait outside the studio door.

As hostess for a large air liner;
Pretty PATTY HAWKS said,
She was as happy as she could be
Then we knew the pilot must be "Red".

Fifty miles from the nearest neighbor,
AARON FOWLER sits;
As fire warden in a tower;
People near him give him fits.

For JO DUNLAP and MARTHA WRAY
Wedding Bells have long been rung,
Though their children are now in school
They still look pretty and quite young!

Bless my soul. There's RONNIE BYNUM
Cutting capers on Broadway;
Signing contracts by the dozen,
He's a star that's come to stay.

Since we last saw MARY FRANCES STORY
It has been a score or more,
But if we should ask about her age
She still would be just twenty-four.

Husky JOE ALEXANDER rolls in wealth;
Teaching courses based on health.
Of "wim and vigor" he has a load;
Step aside, he may explode.

I don't know that it's true. It may be a rumor.
But MARTHA TRANTHAM, so we've heard,
Has joined the United States Army.
Oh my goodness! Oh my word!

Chef in a big New York hotel;
HAROLD HOPPER is doing well;
He can make hash in just three minutes
But heaven only knows what's in it.

Before dense cheering crowds,
NORMA JEAN makes her stand.
She plays the trumpet and also serves
As leader of the Band.

He can cure your chills and fever--
That is Doctor CHARLES PARKS'S boast
Which is worse, the ills or treatment?
That's what puzzles us the most.

Though Surveyor MARY R. SPAIN has a steady eye,
One thing will distract her attention--
Just you let a certain young man stroll by,
Or a name like JERRY mentioned.

The Gleason Bulldogs

This year was unusual. The Bulldogs, weakened by graduation, were expected to be pushovers. They ended up pushing over their opponents by winning five, losing three, and tying one.

Greenfield 6 Gleason 0

Greenfield was the first game and a green Gleason Team lost by a single touchdown, but showed promise of things to come.

Sharon 0 Gleason 6

The Bulldogs showed tremendous improvement by out-scapping a favored and heavy Sharon team. Feature of this game was the growing defensive strength of the Bulldogs.

McKenzie 12 Gleason 0

With a few breaks, this could have been a tie game; we will never forget Bynum's long run in this one. McKenzie's Coach said the Bulldogs were the best scrappers he had seen.

Ridgely 13 Gleason 13

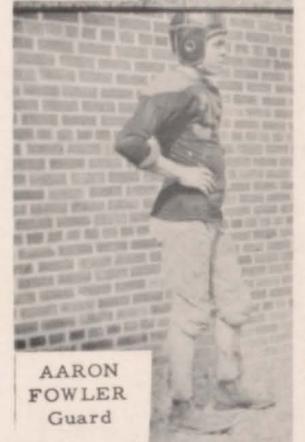

This one was a thriller. The Bulldogs proved their ability to come from behind twice to tie the score. That completed pass on the last play of the half to tie the score was the most exciting play.

Camden 19 Gleason 0

This one was a victory for us, the first half. The Bulldogs stopped everything Camden could throw. But the final half found the Bulldogs giving way to a heavier team.

The Turning Point

Decaturville 6 Gleason 13

The Bulldogs upset the dope by plastering Decaturville. The Bulldogs were determined not to lose their record of not having lost to the Decaturville boys in recent years of competition.

Trezevant 6 Gleason 32

This was the first year for Trezevant and they fielded a good team. The Bulldogs had to scrap for the game. Some of our reserves got their first game experience in this one.

Dover 7 Gleason 14

Who will ever forget the trip to the gravel pit at Dover. The Bulldogs slept the first half while a good Dover team pushed them around and scored once. Came the half and the Bulldogs began to growl. The team that went back on the field played ball. Bynum's jaunt of sixty yards was the highlight.

JOE WHITE
End

RAYMOND WADE

Dresden 0 Gleason 8

Dresden ran over Greenfield, trounced Sharon, and according to all reports, was ready to tramp the Bulldogs. But one thing was forgotten. Dresden has failed to win at Gleason in the past five years, and the Bulldogs were ready. After the first kick-off, there was little doubt of the results. Gleason was not to be denied. For the Senior boys, they thought of it as the Grand Finale. It was sweet revenge for the past year. For everyone, it was a great victory.

Girls' Basketball

The Gleason "Black Beauties" enjoyed their best basketball season in the history of the school, with a total record of 16 wins, 1 tie, and 6 losses. Three of the losses were to the strong Martin team, one to McKenzie, one to Palmersville, and in the semifinals of the districting tournament to Milan.

Our scoring department was well handled by Pat Hawks, Ruth Spain, Bobbie Smyth, and was well supported by "Lefty" Jordan, Joyce Upchurch, and Mary Grissom.

Our guards were outstanding, featuring the experience and judgment of Mary Frances Story, and height and aggressiveness of Rushlene Dunlap. Clara Fowler proved herself by filling in when the games were tough, and Martha Hopper and Nelda Brasfield were more than adequate.

THE REGULAR SEASON

Top games of the regular season were the Palmersville and Medina games. After losing a tough game at Palmersville by a small score, the Black Beauties came back to win a thrilling game at home. Meeting Medina on the home court, our girls fought to a tie with last year's District Champs.

THE COUNTY TOURNEY

Top seeded Martin won the tourney but our girls were runners-up for the second straight year. We had to defeat a pepped-up Dresden team to attain the finals. It was a close game, but our girls won anyway. In the game with Martin, it was a case of too much height and experience.

THE DISTRICT TOURNEY

Here, our Black Beauties came into their own. Unseeded, they met Greenfield in the first game and romped home by a wide margin.

Next was a different story. Seeded Trenton was next, and our girls were ready. After the first few minutes, with Spain pouring in one-handers, and Alexander stealing the ball, Trenton was left at the post, and our girls scored the first upset of the tourney.

In the semifinals, against Milan, our forwards couldn't find the basket, and Milan managed to win. It was a heartbreaking loss for we all believe we had the better team.

In the Consolation game, we played Medina, loser to Humboldt by one point, and scored a decisive victory for the consolation honors, while Humboldt tramped Milan in the championship.

So ended our most successful season. We are looking forward with high hopes to an even better season next year.

Boys' Basketball

The basketball team resembled the football team in that five of last year's first six were lost by graduation. The season record was different from football because Gleason boys love bodily contact and in basketball this can not happen. Bodily contact was determined in some games with as many as 36 fouls being called on the aggressive Gleason boys. The boys won only two games but they never lost their spirit and scrap and some games were as exciting as anyone could ask. The team was greatly handicapped in height as only one boy was over 6 feet and he dropped from the team the second semester because of scholastic reasons. In every game the opposing team held a height advantage which is always a deciding factor in a basketball game. Many things promise a good boys' team in the future. Only two boys will be lost by graduation and three of the first ten will be promoted to high school.

TAYLOR

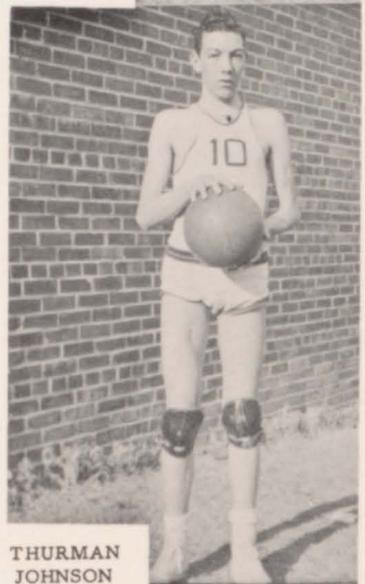

All players served as Captain and each one showed promise as a good leader. The team averaged 32 points per game and was improving more and more as the season ended. The final game in the district tournament ended with Gleason scoring 40 points. We are expecting next year's team to start where this year's team left off and continue on to the regional tournament. Jimmie Killion, one of the Seniors, played good basketball in his first real test of varsity basketball and was one of the top scorers of the team. Ronnie Bynum, another Senior, played his usual basketball game and never gave up but all along his mind and heart belonged to the football game. Jimmie and Ronnie were not outstanding basketball players in ability but in spirit and determination they could not be excelled. If they leave their spirit and determination to next year's squad of taller boys the regional tournament may be only the beginning.
