CLASS PROPHECY

Hear that whistle loud and clear, James Black is an engineer.
Billy Coleman, manager of Notre Dame, gained his position from his Gleason
High fame.

Oh, blarney! How come Ace is playing for Army?

Lynda and Billy are up to date; here they come with their kids--just eight!

Doyle Connell's quite a man, he invented the atomic fan.

Jimmy Cunningham has made the grade; by selling people cure-all-aids.

Well, well! Who's that we see? It's Joyce Grinder teaching history.

Paul Godwin's a farm reporter, gettin' fat, but not any shorter.

Randell Hearn's walkin' on air and why not, he's a millionaire.

Poor Celeste is now a wreck; trying to teach the kids Home Ec.

Who's standing in line for unemployment pay? Well, look over there, it's our
John Ray.

The handsomest boy, our Mike Mooney; over him the girls went looney.

Who's that watering cows at the stream; well, what do ya know, it's Farmer
Green.

Charlie boy came down to see, Carlyne Brinkley, his bride-to-be.

Always nice and never bossy; that describes only Dossie.

Look who's running the Shell; it's the Esso man, Billy Verdell.

Joyce King is also smart, in matters that concern the heart.

He has a good job, that William Bowers, he does plumbing for the school showers.

Dixie, Thurman, and baby makes three. Goodness, gracious, how many more
will there be?

Janice Horner, who everyone knows, is doing great in the picture shows.

Running a successful motel, J.T. Williams is doing well.

Joan's a star, that's understood; she plays top roles in Hollywood.

The day that Carolyn is waiting for, is When Jerry will be home once more.

Waymon Reagan is riding high. He's a member of the F.B.I.

John Lemonds, we understand, is doing fine in the college band.

Dwayne Parks rolls in wealth. He's teaching courses based on health.

Lyndell Wade, could it be, is now in high society?

Playing in every Broadway Show, Danny and Thomas are on the go.

Puppy Love
 Time Changes Everything
 Grand Old Party . . .
