With sincere appreciation we pause now to recognize our sponsors. Throughout our high school days we have been given guidance, leadership, and understanding by these people, and it is through their efforts that we have now attained our final goal. It is our one hope that the impression their lives have made upon each of us will reflect in the later years of our lives.

As head football coach, Nickey Joe Stafford led the "Bulldogs" to one of the best records Gleason has had in several years. Coach Stafford worked also as head basketball coach for the high school boys. The 1972 Bulldog staff would like to take this opportunity to thank him for the good job he has done both in coaching and in the everyday walks of life.

Coach Clarence "Lightening" Barham, Jr., as the girls' basketball coach, guided his team to another winning season. He served as assistant football coach and both Jr. High football and boys' basketball coach. As coach and teacher, he has helped students to become better both in athletics and in day-to-day living.
