## Dedication

Our four years at Gleason High School have been filled with spirit, determination, and many achievements. We feel the most dedicated students have been the Senior Basketball and Football boys.

These young men have fought to hold a position among many larger teams. They have overcome numerous physical handicaps. Yet these athletes have never given up. Their spirit has prevailed through the crushing blows of defeat and the joys of victory. We raise them up to future athletes as fine young men - always determined, always ready, always looking to that next big game.

In the four years that we have known Mrs. Laurine Dunn, we have come to look upon her as a warm beautiful person who has always been ready to help us. She has mothered us, worried about us, and pushed us towards our goal.

Our loving appreciation goes to Mrs. Dunn for her dedication to us even when we have failed to see the way.

Coach Wesley Beal has spent the '72-'73 school year getting to know us. We shall always appreciate his considerate and concerned attitude towards our class. We realize that we have been a challenge to him. We thank him for being with us through a very exciting - yet trying - experience.

*A time to be born, and a time to die;*

*A time to plant, and a time to pluck  
up that which is planted;*

*A time to kill, and a time to heal;*

*A time to break down, and a time to

*A time to weep, and a time to laugh;*

*A time to mourn, and a time to dance;*

*A time to cast away stones, and a  
time to gather stones together;*

*A time to embrace, and a time to  
refrain from embracing;*

# A T H L E T I C S

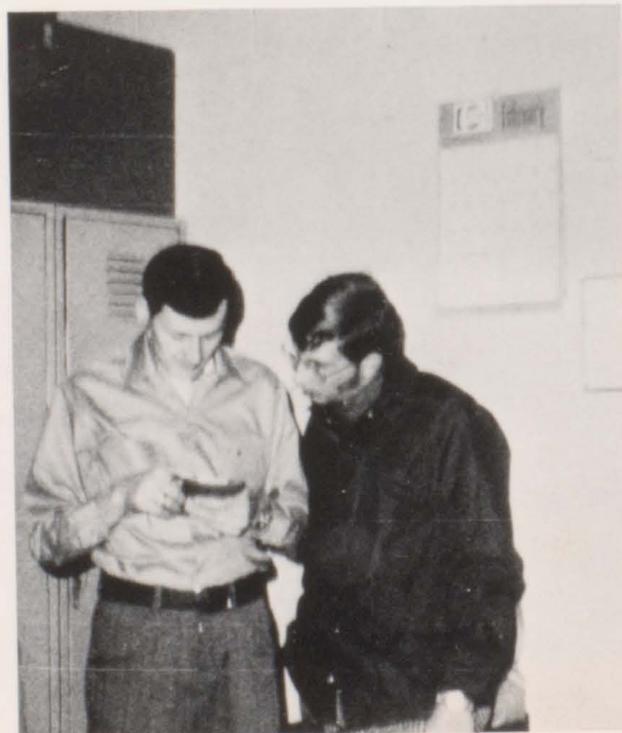

Every year brings new faces, new dreams, new hopes. The years pass and suddenly you're a Senior. When the time comes to look back, who do you remember most? You remember your fellow players, the officials, the cheerleaders. But the person you never forget is your coach. Coach Barham has been a friend, a dedicated man who has always given his best to the development of his teams.

Coach Beal has led our boys through the football and basketball seasons. He has been sincere in his efforts to produce two fine teams. Well-respected by all school athletes, he has stirred interest and desire in the athletic program and general school attitude.

Hearn

Most elementary teachers never receive the credit they so richly deserve. We would like to take time to thank Mrs. Maggie Lois Hearn for her many years of service to young people in Gleason. Few teachers have been more dedicated or shown more love and concern to their students. Thank you, Mrs. Hearn, for being one of the primary reasons why we are Seniors today.
