## The Way We Were

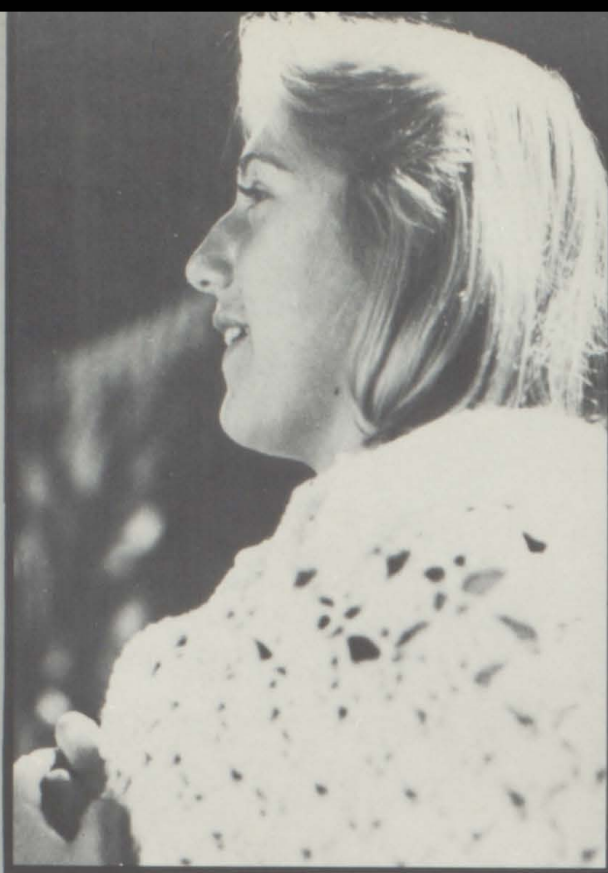

Memories light the corners of my mind,  
Misty water-colored memories  
Of the way we were.  
Scattered pictures of the smiles we left behind.  
Smiles we gave to one another  
For the way we were.

Can it be that it was all so simple then,  
Or has time rewritten every line?  
If we had the chance to do it all again,  
Tell me would we? Could we?

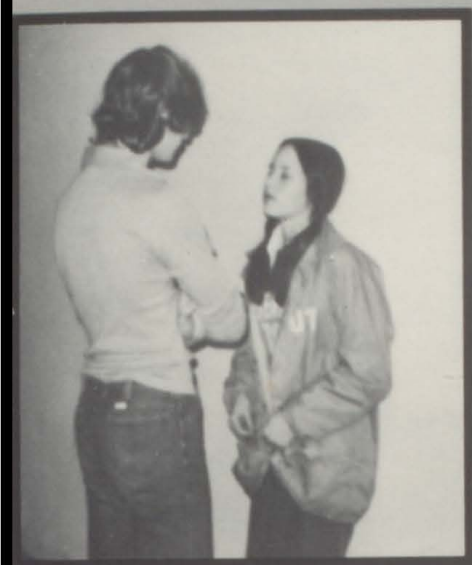

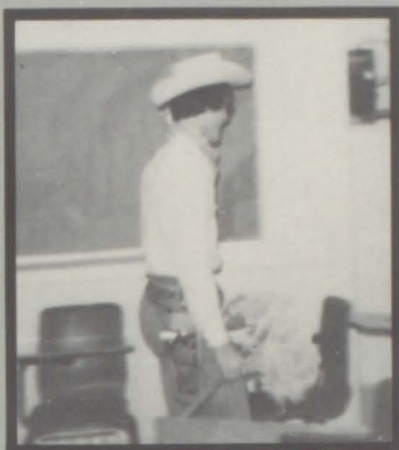

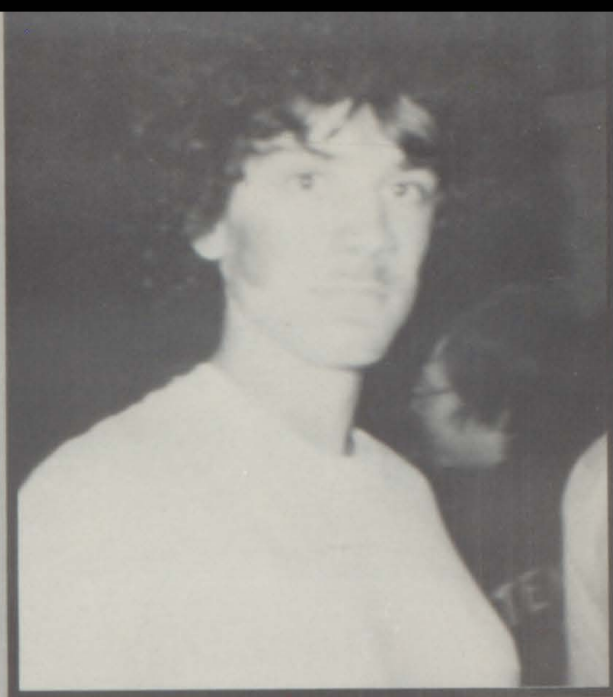

Memories may be beautiful, and yet,  
What's too painful to remember we simply  
Choose to forget.  
So it's the laughter we will remember,  
Whenever we remember the way we were.  
The Way We Were.

Through our four high school years Mr. Wendell Reed has pushed us when we thought we could go no further, and he slowed us when we were no doubt rushing into things too fast. We would like to express our deepest thanks and appreciation to him. We know that many times we have tried his patience; yet, he never let it show. Even though many times we did not agree on things, we always seemed to come up with a generally satisfactory solution to the problems. Through our years here at Gleason High School, he has demonstrated great

understanding and guidance. He has helped us to reach our goals even though we thought we could never reach them. Goals which we have reached during our years in high school will help us in the future to seek and set our own goals, goals not too high nor unreasonable to reach; yet, goals not too low which do not give an adequate challenge to our abilities. It is this guidance that has steered our lives through high school, and will be a great asset in all of our future. We hereby dedicate this edition of the "Bulldog" to Mr. Wendell Reed.
