Gleason High School

Principal — Mr. J. J. Moore

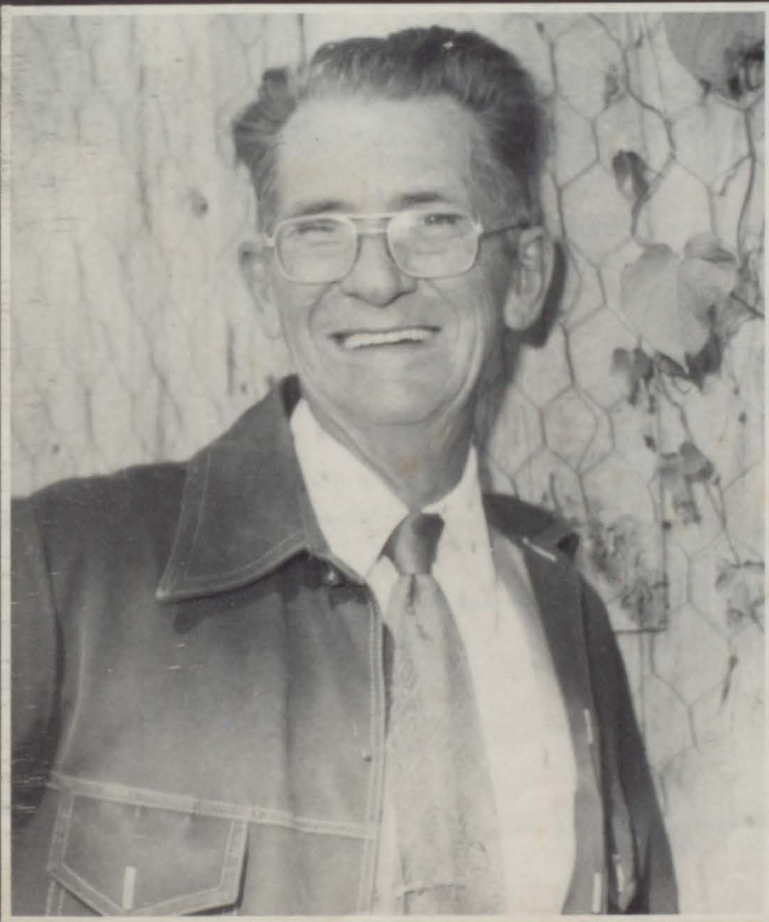

Dedication

Throughout our high school years, Mrs. Scott has given us her time and encouragement when we were in need of it. She has acted as not only our sponsor, but as a personal friend as well. We would like to express our deepest thanks and appreciation to Mrs. Scott for her sincere concern for our future.

Mrs. Nancy Scott

Mr. Vernon Dunn

Mr. Dunn has made an unforgettable impression on our lives. Although we have disagreed with him many times, he has shown us his interest, ability, and understanding. Through his efforts, we, as Seniors, feel that we may not attain our future goals.

History of Gleason High School

The first school was in 1885 in the basement of the Cumberland Presbyterian Church with students paying tuition and Professor Bass as principal. Then it was moved to the ground floor of the hotel with Professor Huey as teacher and his wife Julia as the first music teacher.

The first public school opened August 27, 1906 with a term of only three months of the year in the Masonic Male and Female Institute which was a two story brick building erected in 1904 to replace the private school which had burned. In 1925 the town bought the Polk Alexander house and built on the present site. The class of 1929 was the first class to graduate in the new building.

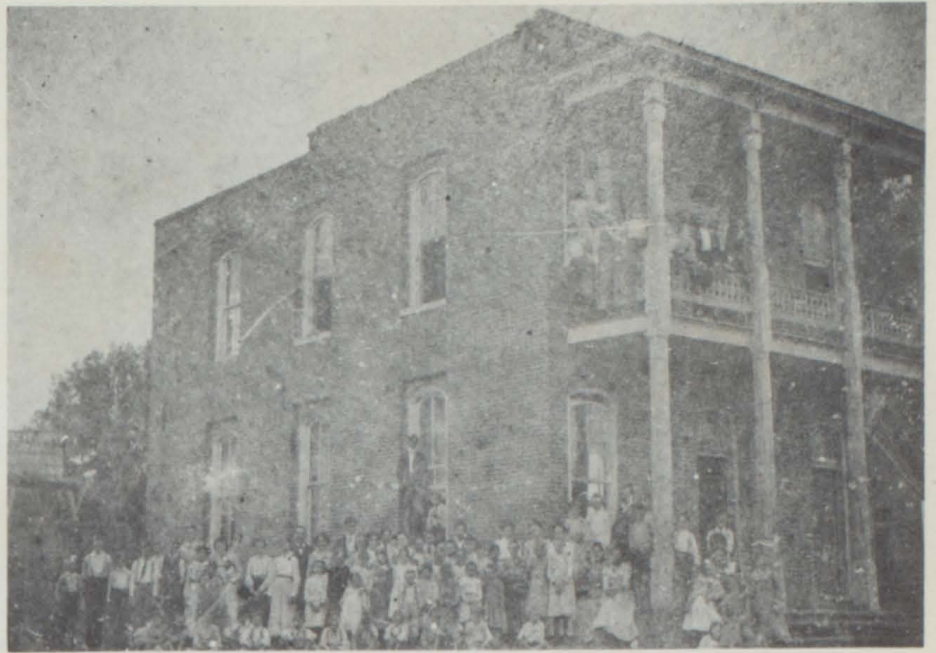

In 1947 the old two story building, which had been used as a gymnasium since 1932, was torn down and a new gymnasium and six elementary rooms were built. A modern cafeteria, sufficient school bus service, and an intercommunication system have also been added to the school.

Some of the early principals were Birch Atkins, Jack Oliver, Marvin Clark, J. B. White, and W. G. Robinson. Principals since 1920 are O. E. Holmes, Hugh Hunter, E. L. Freeman, J. B. White, T. D. Ozment, Spencer Taylor, John C. Cook, R. E. Goodgive, James H. Logan, J. E. Choate, Charles V. Butler, and J. T. Moore.

Since 1929, 1,218 students have graduated from the Gleason School. The present enrollment of the school is approximately 595.

For the past fifty years Gleason School has been the heart of our town. We hope that the school will continue to carry on this tradition for the next fifty years.

In Appreciation

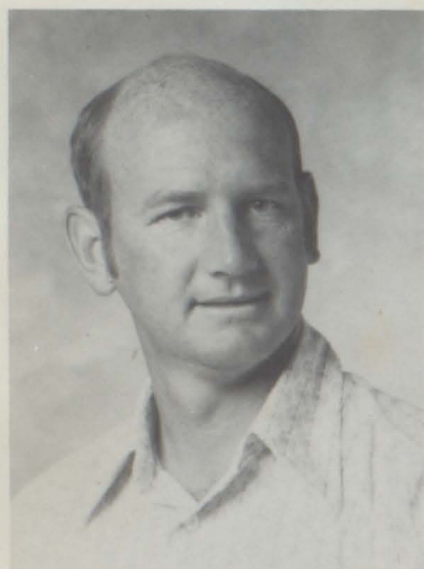

We would like to express our appreciation to Mrs. Gloria, who has given her time and effort to help us in any way possible. We feel that she is a vital part of our school. In the years to come, we will always remember her dedication.

Alma Mater

*Reared against the arc of heaven,
Reverence and awe,
Stands our noble Alma Mater
Glorious to all.*

*Lift the chorus speed it onward
Loud our praises cry,
Hail to thee our Alma Mater,
Gleason High, Farewell!*

As we pass slowly out of these doors that have seen so many come and go, all too quickly we hear the doors of the years past quietly shutting behind us; and we go forth eagerly to open the doors to the future and whatever it may bring.

This is not the end.
It is not even the
beginning of the end.
It is rather the end
of the beginning.
— Winston Churchill

We'll Remember

**Your friends say they'll keep in touch,
but you know they won't. Your teachers say
come back and see them. And you know you won't.
Maybe someday it won't matter. But right now,
it hurts a little.**

The Best Seniors

Very soon it will be graduation day,
And each of you will go your own separate way.
But when you hear that man say,
Will the class of "79" please step this way,
Remember all the happy times — the best years
of your life —
If only they could last forever,
Happy smiling always together.
And as you look at the crowd and think of a
memory or two,
You'll see friends and family smiling
proudly at you.
Sure there will be some tears in that crowd,
But just remember they are all so very proud.
Step after step you slowly walk forward and smile,
If only you could stay just a little while longer.
So as that piece of paper is planted in your hand,
May each and every person stand and clap their hands,
And shed a tear for there is no better class than you.
I think you are the greatest,
And you deserve the best.
I'll shed many tears and
Remember all the years.
I hope life is good to you and
I hope all your dreams come true.
I will remember you forever, and wait for the day,
That we will walk the last mile together.
So to the class of "79" —
I salute you, and I will miss you, too.
