Mrs. Laurine Dunn

Through our four high school years Mrs. Dunn has pushed us when we thought we could go no further, and she slowed us when we were no doubt rushing into things too fast. She has acted not only as our sponsor, but as a personal friend as well. She has helped us reach our goals even though we thought we could never reach them. We would like to express our deepest thanks and appreciation to Mrs. Dunn for her sincere concern for our future.

Coach Dilday has made an unforgettable impression on our lives. We know that many times we have tried his patience; yet, he never let it show. Through our years here at Gleason High School, he has demonstrated great understanding and guidance. Although we have disagreed with him many times, he has shown us his interest, ability, and has always seemed to come up with a solution to any of our problems. Through his efforts, we, as Seniors, feel that we may attain our future goals.

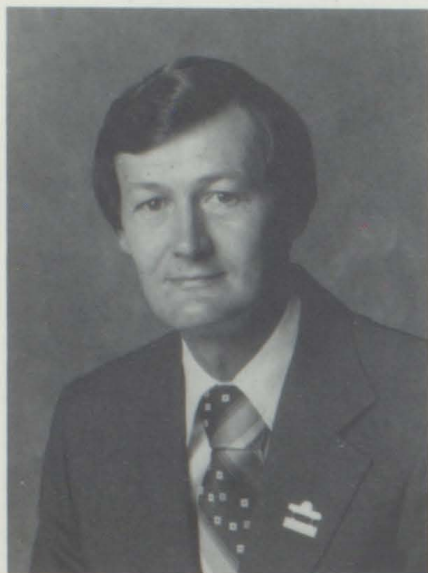

Coach Bob Dilday

Principal
Clarence Barham, Jr.

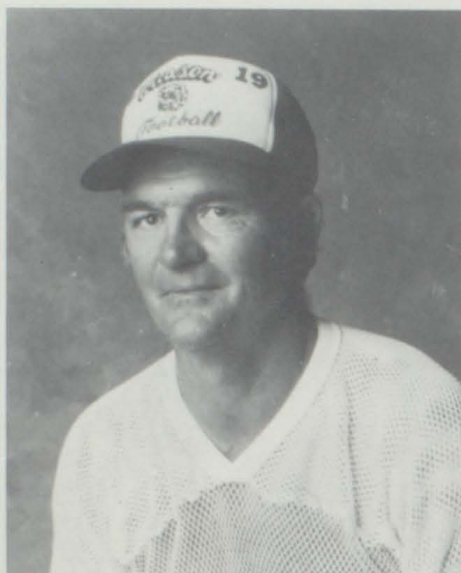

Mr. Clarence Barham, Jr. heads the administration of Gleason School. Mr. Barham has been a teacher and a coach at Gleason since 1970 and has served our school well in these capacities. Even though this is his first year as principal, we know he will continue to serve GHS well for many years to come.
