# **Volunteer Girls' State**

### Amanda Hale

I was a citizen at Sevier City in Sloan County. Girls' State was a great experience for me. I met a lot of new friends, and saw old ones. I learned more about government, and was able to hear Governor Don Sundquist. "I would like to thank the American Legion Auxiliary for allowing me to participate in Girls' State."

### **Abby Steele**

Volunteer Girls' State was a great experience for me. I was a citizen of Blount City, which is located in Jackson County. I treasure the memories and friendships I made and hope each one will last a lifetime. "I express my sincerest thanks to the women of the American Legion Auxiliary for giving me such an outstanding offer."

# **Volunteer Boys' State**

### Darrell Bell

"I would like to thank the American Legion for this fine honor." I was a citizen of Todd City, in Waring County. I held the office of assistant clerk. I enjoyed learning about the government and how it works. Most of all, I met many people from all parts of Tennessee.

### **Clint Lowry**

Boys' State was a wonderful experience for me. I was a citizen in Maddux City of Waring County. I served as transportation officer of my city. "I would like to thank the American Legion Post 166 for electing me one of the delegates and for giving me the opportunity to represent Gleason School in Boys' State at Cookville."

# DAR Good Citizen

### Nicole Hoskins

"Positive Thinking" is the motto to live by. I hope to inspire others, to be a good leader, and as well as an American with a sincere and forthwright interest and love for all people. I feel my highest calling in life is to be a good person and it brings to the surface qualities I treasure. The joys of the American life are daily reminders of the patriotism we claim as our own. My everyday pilgrimage includes pride in my homeland, and honor for the historical monuments erected to serve as reminders of the price paid for freedom. Service and dependability are high standard "everyday" words for me - the American way was founded on the premise.

# SCOPE Ashley Johnson

SCOPE, Student Congresses on Policies in Education, was held in Nashville on March 13th, 1998. SCOPE brings together 9th through 12th grade students from across the state to discuss major topics in education. New innovations and technologies are changing the way students learn. A world of information is right at our fingertips. As a delegate from Weakley County, I had the opportunity, through mock school board meetings, discussions, and debates, to develop school board policies that will meet the challenging demands of tomorrow's schools. SCOPE was an educational experience that I will not soon forget.

## **GJHS** Homecoming

The '97 GJHS Homecoming was a complete success. Everyone enjoyed the week of activities. Each and every person worked hard to make this a night for everyone to remember, especially the royalty. The royalty will remember this night not only as a wonderful memory, but also as a great experience. The Jr. Dawgs fought hard, but were defeated.

**Brittany & Kyle** change identities for a day. ▲

Say Cheese ... Queen, Brittany Griffin, Flower Girl, Jenna Frazier, and Crown Bearer, Preston Frazier keep on smiling while the game starts.
