## *Derek Steele Hagler*

*The truest measure of a person's worth is the lives that are touched along the way. Derek touched us in a way no one ever will again by just being "D". His positive attitude, fun-loving personality, and courageous spirit are models for young and old alike. His strength exemplified what a bulldog really is. As days become weeks and weeks turn into years, we will walk the halls of Gleason School with pride seeing his face, hearing his voice and knowing that a part of him will always be the best part of us. Derek may be gone from our presence, but he will never ever be gone from our hearts.*

## **Congratulations Seniors!**

*Remember...*

How you live today affects all of your tomorrows. Remember that turning down that wrong road is part of the journey, and finding the way back is your challenge. Remember that if you keep love close to your heart, home will never be far away. There will be expectations not met, promises lost, and tears and moments of despair. Remember, however, to be grateful for the sunshine and to find hope in the rainbow. Remember to laugh from your soul and always hold on to your dreams!!

*No words can express what a difference you have made in my life by being my grandson. On a cloudy day you brought sunshine. When tears came you brought laughter and joy, and when it seemed like the world was the worst place to be you made it a beautiful place. Keep on sharing that big heart you have with others. I will always be there for you, and always remember you can make it the hard way or the easy way.*

Dad & I want to take this opportunity to tell you what you mean to us. First of all we want you to know how very proud we are of all the accomplishments you have achieved in your life. From the day you were born you have been a big challenge to us. You have overcome a lot of obstacles in your life, such as months of going to St. Jude. We thank God everyday for letting you be well. Sometimes I feel like I do too much for you, but I know deep down you do appreciate all we do. I hope we can always be here for you, and we wish you the best things in life. We hope you find what you want out of life, and that you will always be happy. Thanks for being such a special daughter, and we will always love you so very much.

*From the parents' heart to the soul of a child. We have watched you grow through many trials that most would not have done. The hurt feelings from your peers, the tearful nights, the medical problems that you have dealt with along the way with ridicule from some, and the great losses in your life... all these have made you stronger. As you start a new and challenging school, we, as your family, wish you the most fulfilling and fun-filled life that you can achieve.*

*We love you,  
Dad, Mom, & Cherity*

# Annie

*You are such a precious gift from God and have filled our lives with immeasurable joy and love.
