# DUSTIN,

The years have gone by so quickly! We have tried our best to guide and support you through all that life has brought your way. Please remember to rely on God and His love for every circumstance. We will always be here for you. Even though you argue with your brother and sister, please know that they love you and look up to you. We know it wasn't easy growing up as the "Warden's Son!" We know the stress and pressure was heavy. You handled it well. Hopefully, one day you will look back and realize the depths of love that surrounded you growing up. We hope you have a very happy and successful future. We love you.

## To My Little Sister, Jill

How can I put into words how much you mean to me and how proud I am for you as you reach this milestone in your life. I have watched you grow in so many ways to become the intelligent, beautiful young lady that you are today. As you go forward in life may you always keep your faith in God-He will never put anything on you that you cannot handle. Remember to believe in yourself because your success will come from within-no one can do it for you and no one will give it to you. You have developed a solid foundation in which your roots are firmly planted and now it is time to spread your wings and fly! Soar high and remember that the sky is the limit! Also, remember that no matter where you go that your sister loves you more than words can ever express!!

Jill, you've made it! Your future is before you! You have already accomplished so much, for yourself and others. I know that you will always move forward and I'll never have a moment's doubt that you will be a success. You have striven as hard to do what is right as anyone I have ever known.

Your determined desire to stand for what you believe in is a unique quality that few possess, for it sometimes requires sacrificing popularity. Your faith in God has given you that quality; I know you will always hold on to that. We have had great times, remember them all. You've represented your school and yourself in such admirable ways. You never hesitated when called upon to be an academic, social, or athletic representative. You have won crowns, athletic awards, performed at state-level competition in academics and so much more. Not only should you be proud of yourself, but you have made us proud parents.

Our hearts still fill with pride when we say, "This is our son."

As You Graduate

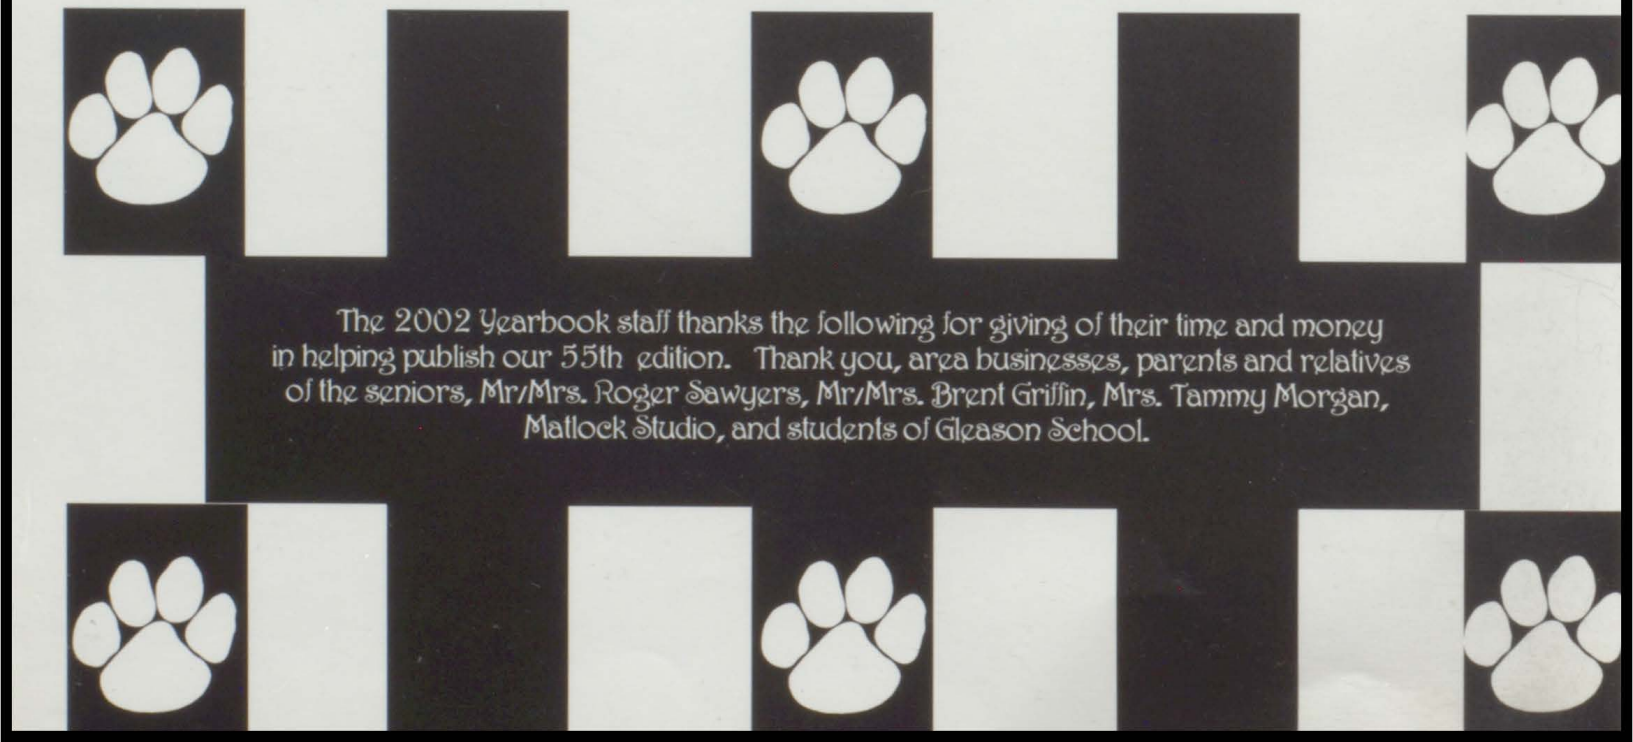

The highest goal has not yet been achieved,  
The greatest idea has not been conceived.

The loftiest honor has not been received,  
The laurels are yours for the winning!

The sweetest melody hasn't been sung,  
The swiftest race has yet to be run.

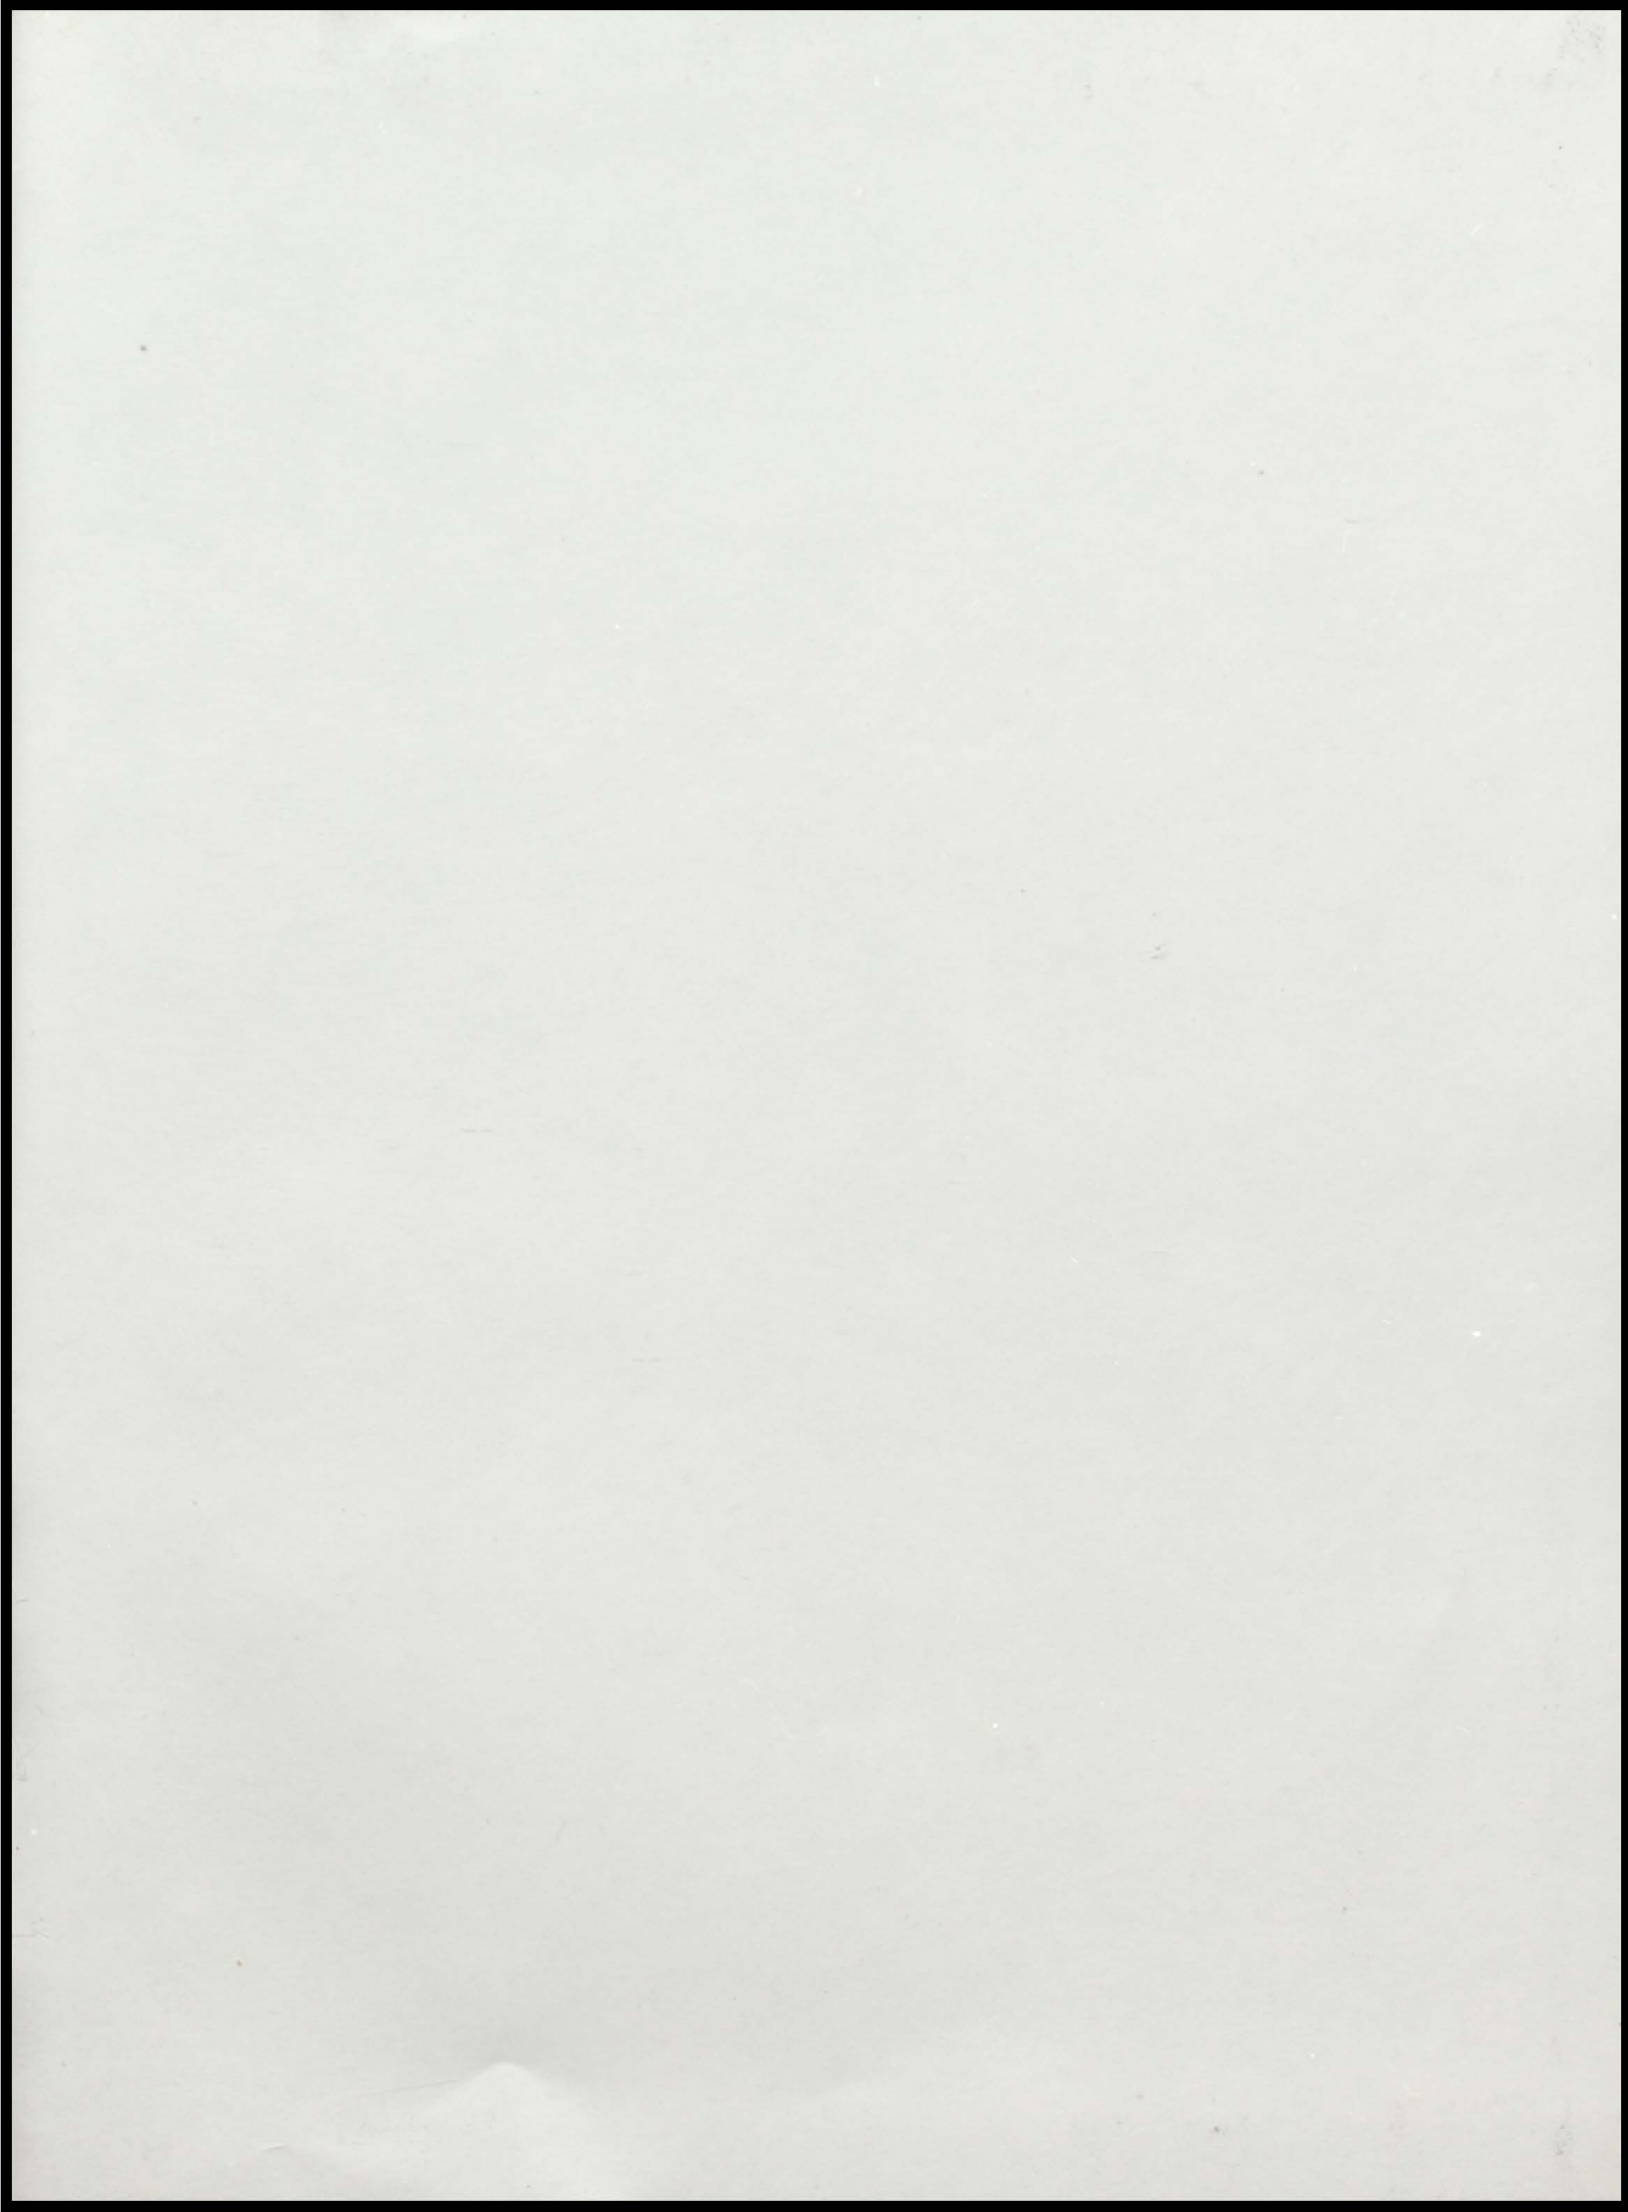

The noblest victory hasn't been won,  
Make this your bright beginning!
