Mr. Mitchell Parham presented Coach Frazier the game ball from his 600th win at Huntingdon on December 29, 2008. (Sports Banquet 2009)

Tribute to Coach Randy Frazier

Coach Frazier has coached the Lady Bulldogs for twenty-three years. He built a career record of 613 wins to 123 losses. His Lady Bulldogs won fifteen district tournaments and three regional tournaments. His teams have made nine trips to the state tournament. In 1993 the Lady Bulldogs achieved state runner-up status and in 1992, 1999, and 2007, they won the state championships. Coach Randy Frazier has been named District Coach of the Year seventeen times, Region Coach of the Year seven times, and the Jackson Sun named him Coach of the Year three times. Players, parents, and fans wish Coach Randy Frazier all the best.

"The Special Name, Coach Frazier"

When a Gleason Lady Bulldog hears the special name, **Coach Frazier**, memories flood the mind. She thinks of blisters, dribbling glasses, "Be the Best", and you better run all the way to the line. She will never forget Waynesboro, "trust in chin", and the fight with cancer we knew he'd win.

Terrified, she remembers the grinding of his teeth; she remembers fall conditioning and not being able to breathe.

She feels the thrill of championships, the agony of defeat, and sees the Murphy Center engulfed in orange and black.

She thinks of the shot club, the 5-K run, and those never-ending practices she longs to have back.

When a Gleason Lady Bulldog hears the special name, **Coach Frazier**, she remembers the tradition he built and the standards he set.

She remembers that barely getting by wasn't good enough and a good shooter wasn't great until every shot hit nothing but the bottom of the net.

When a Gleason Lady Bulldog hears the special name, **Coach Frazier**, she remembers the best teacher she ever knew.

She remembers every fundamental that he drilled: eyes up, knees bent, hold your follow-through.

Most importantly, she remembers every life lesson he taught; never do anything half-heartedly, persevere in every situation, and every battle must be courageously fought.

When a Gleason Lady Bulldog hears the special name, **Coach Frazier**, she pictures her mentor, leader, teacher, her friend; what an influential man in her life he became.

Above all she thanks, **Coach Frazier**, for giving her passion and a genuine love of the game.

When a Gleason Lady Bulldog hears the special name, **Coach Frazier**, she knows that change is near and new beginnings approach.

Yet in every Lady Bulldog one constant remains, no matter where she is in the game of life in her head and her heart--she is proud to call him "coach".

With all my love and respect, Thanks Dad, for being my coach.

In Honor of all Lady Bulldogs 1986-2009

Colin,

It is hard to believe our last little boy has grown up to be a fine young man and is fixing to start a new journey in his life. Your faith, talents, and compassionate heart has made you the person you are today. We are so proud of your many achievements and are so blessed to have you as our son. Our family has really grown a lot stronger over the past year. Thank you for being there for us whenever we needed you. Just remember, we will always be here for you. Follow your dreams, and set your goals high.

Always put God first in your life. We have no doubt you will be very successful in life.

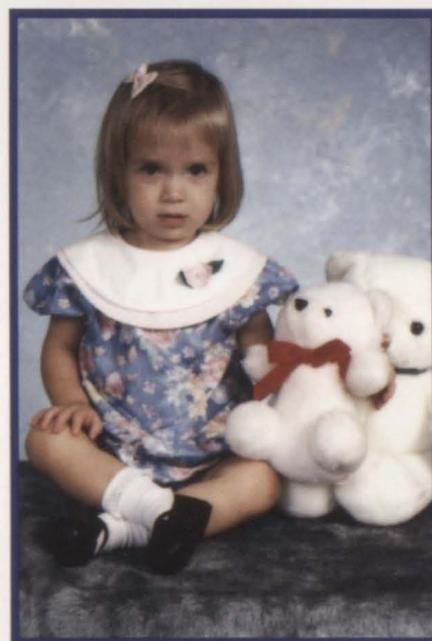

**We Love You,
Mom and Dad**

Maggie,

On December 3, 1990 a huge earthquake was predicted. Instead, a small "HER" icane came into our lives. Since your arrival you have never ceased to surprise and delight us. You have always had a strong sense of self. You have never backed down from a challenge or task because it was too hard. As you embark on the next phase of your journey, stay focused, work hard, have a sense of humor, and remember who you are... "Se tu propia chica" -Be your own girl!

Love
Mom, Dad, Ethan,

Molly Bug,

You are the inspiration of our lives. Since you were little, you always made us laugh with the funny ways you loved John Wayne. Your Pap helped mold you into the appreciative little girl that is number one in people's hearts. I want to thank you for being who you are, for being very helpful, very kind, and full of laughs and love. Your talents with teaching children math and even the patience you show with them is a talent within itself. They are unique and will take you far in life. God has really blessed us with you. Molly, you have added a personal touch to my heart. See you in Heaven my Little Bug, laughing and pleasing as you always do. Oh how much I love you.

Melissa,

I remember waking up one morning and asking where Mom was, and I was told she was at the hospital and you had just been born.

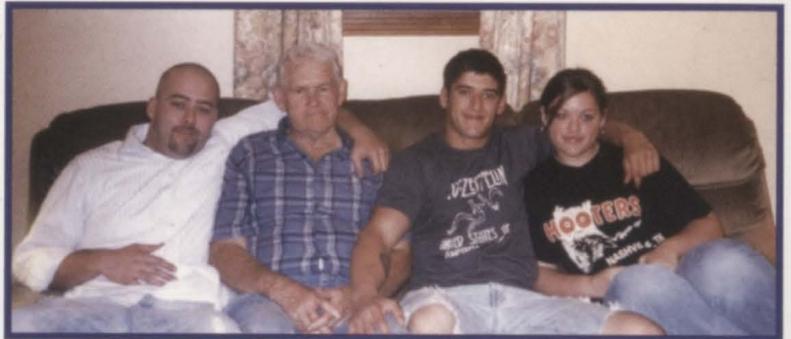

I have known you from the day you were born and it's been my pleasure watching you grow into the woman you are. Even though you are grown and graduating you will always be my "baby girl" to me. Even though I am hundreds of miles away I still think of you everyday and am proud to be your brother.

Love ya, Ryan

Missy Jo,

You have always been our favorite reason to smile babe. You have no way of knowing our love for you.

Ron, Grandpa, and Ryan

Melissa,

One of my greatest pleasures in life has been watching you grow. You have grown from a precious baby to a beautiful young lady. I am so proud of you, and so thankful God chose me as your Mom. As this phase of your life comes to an end, I pray that you meet the next with the same determination and convictions as before. I will always be here for you, all you have to do is call. Remember to keep your faith in God, and always put him first. Love you so much,

Mom

"We are very proud of the young man you have become and especially proud to be your parents. You are truly a blessing to us. We love you," Dad, Mom, Mallary, Becca and Brutus.

"Jake, You will never know how proud we are of you. I know at times, you thought you would never make it, but we knew you would. We just wish PaPa could be here and see what a wonderful person you have become. Good luck in whatever you choose to do. We love you,"
Granny Ellis, Stacy, Tammy, Kaitlyn and Keaton

"Jake, congratulations on your graduation from high school. We are so proud of you. Always know that we love you and best wishes for your future goals. Love you,"
Granny and Pa-paw Hodges,
Tommy, Tina and Hagen

Brandy Nicole,

Where does the time go? It seems like only yesterday you were taking naps lying on my chest. Now you have grown up and are ready to enter the world as a young lady. The world will have many temptations and disappointments. Just remember that your Lord and Savior will always be there even when we can't be there. You have never disappointed me in the decisions you have made as a teenager. Just remember when you don't know what to do, just do what your Mother would do and you'll be alright. If you do what your daddy would do, well, call Tracy Auvenshine he has the bail money. HA HA. Seriously, I have no doubt that you will make good decisions and continue to make your mom and I proud of you. I only ask for one thing in return for the years of raising you (which hasn't been cheap)-- Stand proud and firm for the things you believe. Set your goals and never accept anything less than success.

Love ya Baby Girl, Daddy

There are no words to tell you how special you are to me. I have loved you from the first moment I saw your face. You were beautiful to me then and are even more beautiful to me now. You possess not only outer beauty but also inner beauty. Your strength and faith in God are amazing. Through surgeries, hospital stays, and daily challenges, you always look to God for guidance. You have made my life complete. I can't wait to see where you will go from here. I know you will succeed and continue to help others as you become an adult. I will miss you so much when you go to college, but I know it is time to let you go so you can spread your wings and fly. You know I am never more than a phone call away. Always look to God for guidance. He will never steer you in the wrong direction.

I LOVE YOU!
Mom

Since the day you were born you have been and always will be a joy and a blessing in our lives. It seems like only yesterday you were a little girl running across the yard from your house to ours. Now you have grown up into a wonderful young lady and we still look forward to seeing you come across the yard or drive up in your car. We cherish every minute we spend with you. We are so proud of you and will always be here for you. Keep your faith and know in your heart that God is watching you.

We will always love you.

Nanny & Grand

Our Dear "Daisy"

We are so proud of you! You are so beautiful on both the inside and outside. You are smart, hilarious, and most importantly unashamed of your faith. You set such a wonderful Christian example for both Savanna and Harrison. You have accomplished so much and your future is bright! We are truly blessed to have you. We thank God for you and pray for you everyday. Know that we love you with all our hearts and are always here for you!

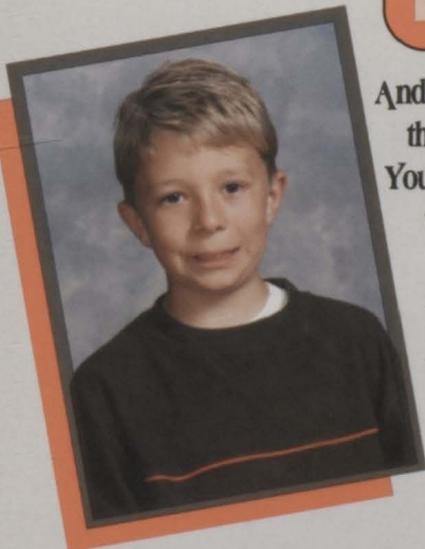

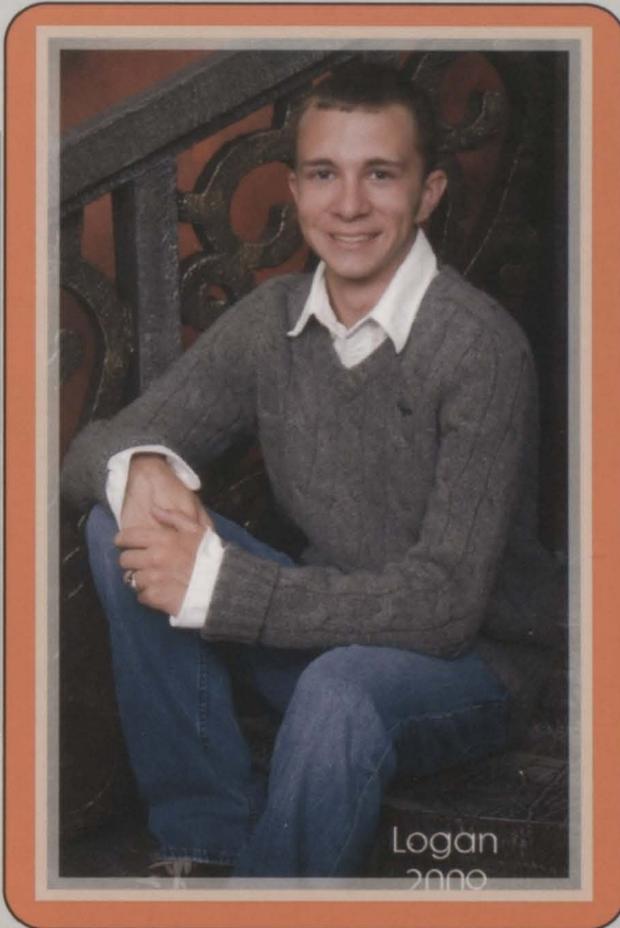

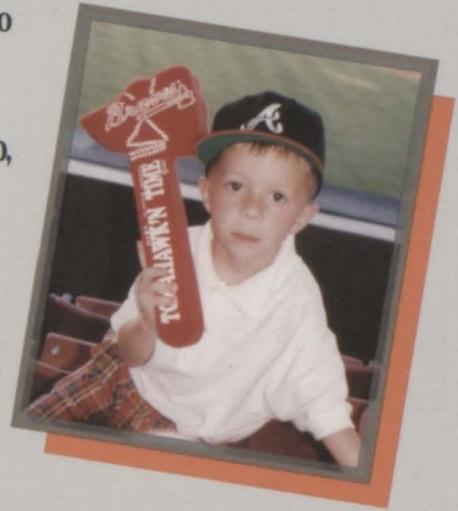

**Love
Dad and Mary**

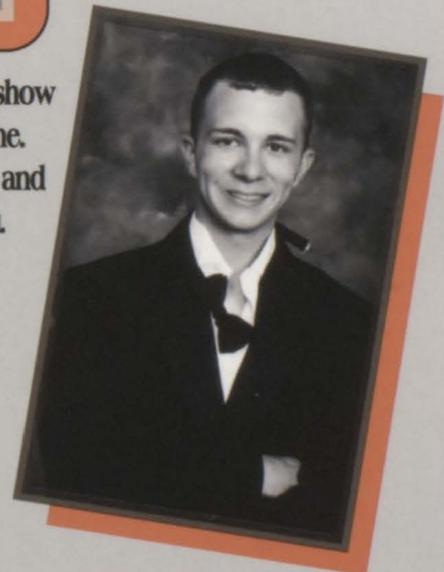

To everything there is a season, and a time to every purpose under the heaven:

A time to break down, and a time to build up,
A time to weep, and a time to laugh,
A time to mourn, and a time to dance,
A time to get, and a time to lose,
A time to keep, and a time to cast away,
A time to keep silence, and a time to speak,
A time to love, and a time to hate,
A time of war, and a time of peace.

And now our time has come to let go and let you show the world the great young adult you have become. You have brought lots of happiness to each of us and we love and wish nothing but the best for you.

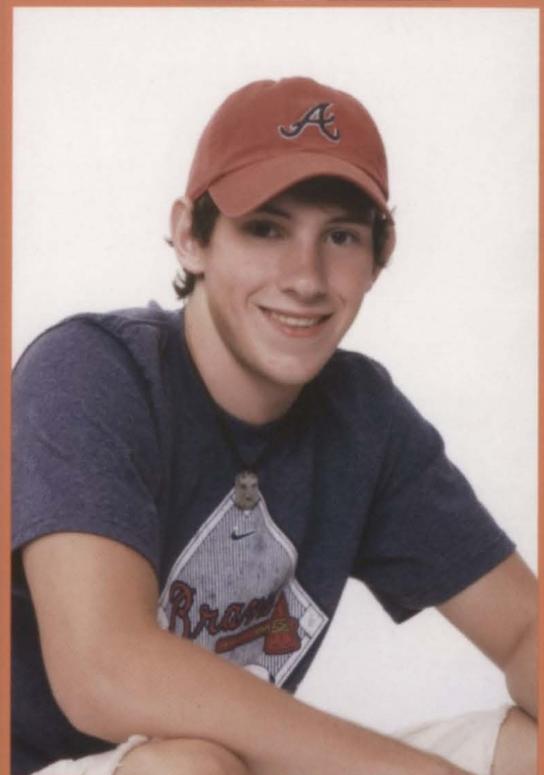

Logan Thomas
WE LOVE YOU!

Evan,

What a blessing it has been to watch you grow and mature these past seventeen years! We are so proud of the young man you have become. Your Christian faith, strong strength of character, and of course your witty sense of humor is what makes you so special. You have always shown unwavering love and loyalty to our family and friends. We admire the fact you have always been your own person even if it meant sometimes standing alone. We have also enjoyed watching you grow and learn in the classroom, on the court, and on the ball field. The lessons you have learned will serve you well throughout your life. Evan-remember to always put God first, keep your family close, have a positive attitude, work hard because the reward will be great, but most of all enjoy life. Pray for strength when things are not going your way, and always have confidence in yourself. Remember..."The things that count most in life are the things that can not be counted." We love you and are proud we can call you our son and brother.

Always continue to be our EORR.

Dad, Mom, Avery

Teala, you are a unique as your name. Your strength of character and your strong faith of what you believe in have proven that you are indeed a gift for God. Whether we see your name in lights on "Broadway" or hear your voice from a foreign country, we will remain so proud of you and what you have and will accomplish. Remember to shoot for the sun, and should you miss, you only fall among the stars.

Love, your best friend, Mom

Baby girl. I am so proud of you. Stay pure in heart as you are and you will not fail. Any old bird can scratch with the chickens, but it takes a special person to soar with the eagles.

Remember Isaiah 40:31

I will always love and cherish you.

Remember Victoria means "victory".

Love, Dad

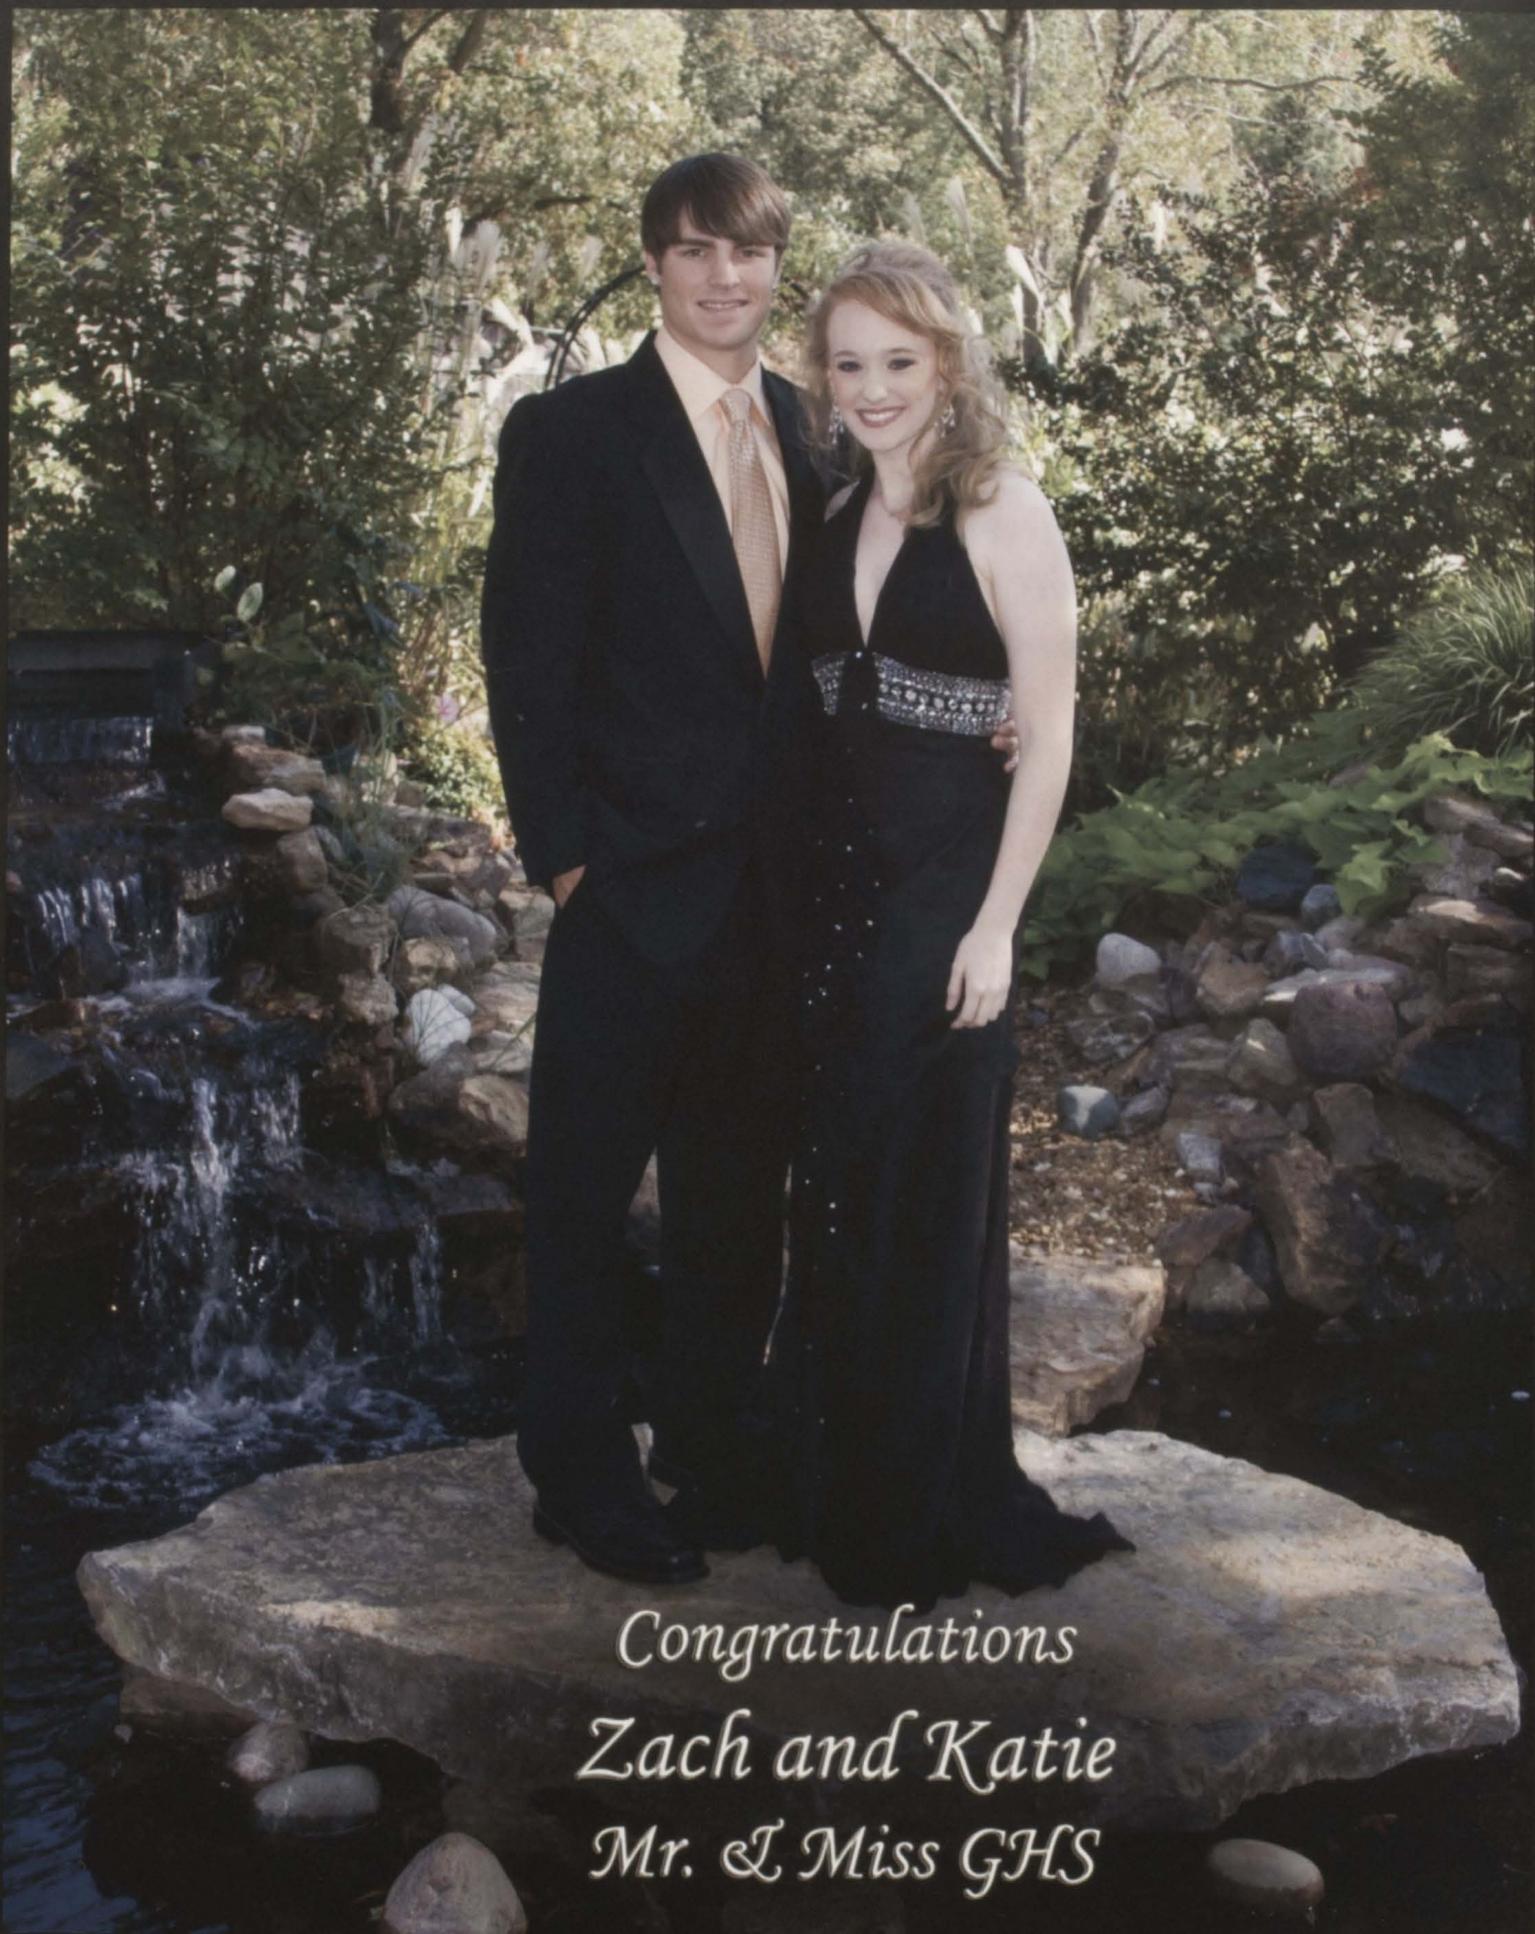

Teala, I am so proud of you and the beautiful young lady you have become. You have blessed my life with your love and smile. You have accomplished so much and will accomplish so much more. Good luck in everything you do. Keep God always in your life. Granddaddy would be so proud of you.

Love, Granny

To the world's best, little sister. I love you. Thanks for all the good times we have had together.

From the very first day you came into the world, you had a determination about you that surpasses all others. You have had more adversities, as well as, accomplishments in your 18 years than most people have in a lifetime. You are now moving to a new chapter in your life, one that you have the ability to write yourself. We know you can accomplish whatever you put your mind and heart in, and we support you! Keep your eyes on Christ, he will not fail you! We love you!

Congratulations Candice!

We are so proud of you. We've shared a lot of laughter and tears along this long but short journey. You have reached a great mile-stone in your life and we look forward to many more, this is just the beginning. Stay focused and keep God in the center of your life and everything else will fall into place. We love you so much and only want the very best life for you, full of happiness, success, and fulfillment. God blessed us with a sweet baby girl that has grown into a beautiful young lady. We treasure all our memories, your funny stories, and even the ups-and-downs of a teenager. We cherish every moment with you and hope that all your dreams come true.

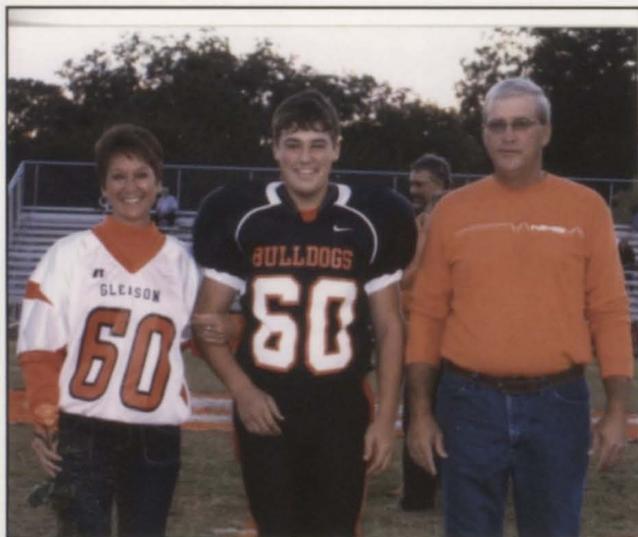

Love,
Dad, Mom, Ashley, Drew,

William Hunter,

We told you many times as you were growing up that you were our surprise... but you were more. You are a gracious gift from God that has completely fulfilled our lives. Your gift of wit has given us so much joy and pride. We admire you not only because you're our son, but because of the wonderful, respected young man you have become. Even though you have outgrown our laps, you will never outgrow our hearts. We know your future, whatever road you take, will be one of success. You have the ability to take a challenge and do what it takes to overcome it. This gives us the comfort to sit back and watch as you choose your own path, smiling, knowing all the while it will be one of success! We are blessed and so proud of you Hunter!

Always be happy "Dude"...
CONGRATULATIONS!!!!
We love you so very much!

You came into this world as our bald Mr. Magoo. You went through many stages...papa's cowboy boot wearing little boy, daddy's work boot cap wearing boy, granny's little boy. But then, now and always, no matter how much you deny it...

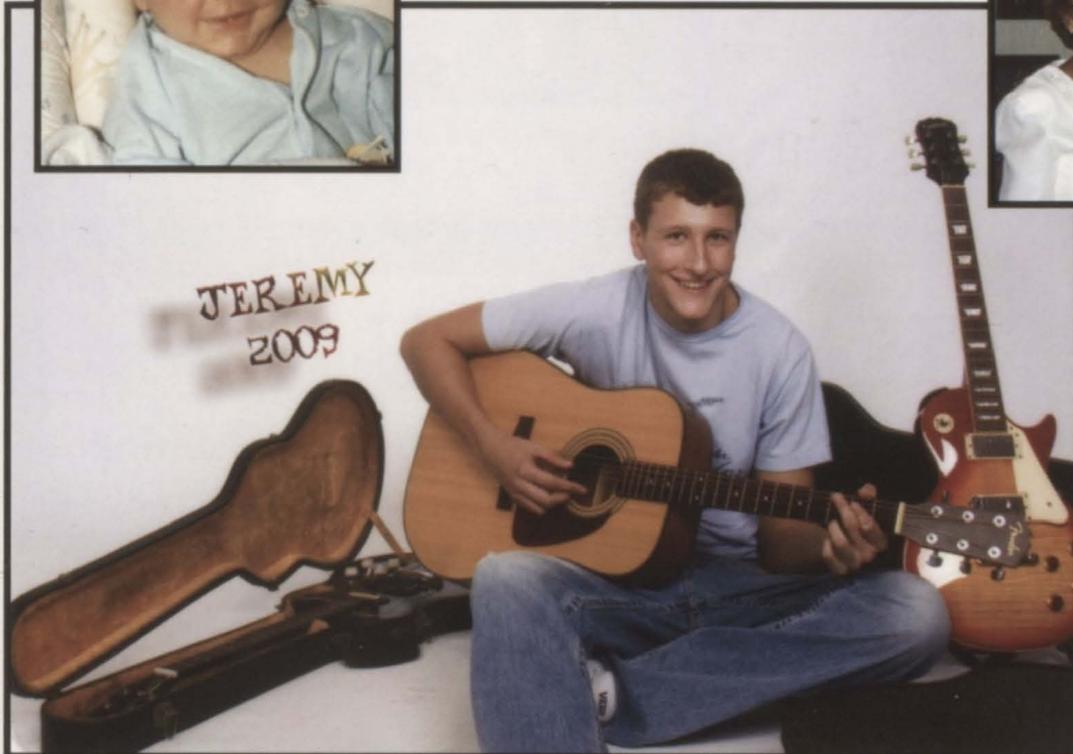

you will always be momma's baby boy!!

You have grown into a wonderful young man and we are all very proud of you.

We wish you the best in whatever you decide to do in life.

We love you lots,

Mom, Dad, Sis, and Papa

Brelín,

This is my way of saying how much I Love You. I'm proud of you and all that you have accomplished. You have never let me down and always made me proud to be your Dad. Good luck on the next chapter of your life and I love you.
