1. Seniors watch intently as classmates compete in their last homecoming events.

2. Kindergarten teacher Gail Quinton decorates excited faces during the annual Fall Festival.

3. Mr. Joe Atnip speaks to elementary students during the Veteran's Day Program. Mr. Atnip served in the U.S. Navy Ceremonial Guard in Washington, D.C.

Each new school year, we set higher goals for ourselves in order to improve our standards from year to year. We say WE WILL reach these goals in our own certain way.

However, the question thrown at us is **WILL WE** actually do it? Will we take the world by storm as seniors? Will we come face to face with each other and become friends? Will we make the grade in class to succeed? Will we do our part through our leadership and service? Will we push it to the limit each time we step on the field? Will we connect with our community?

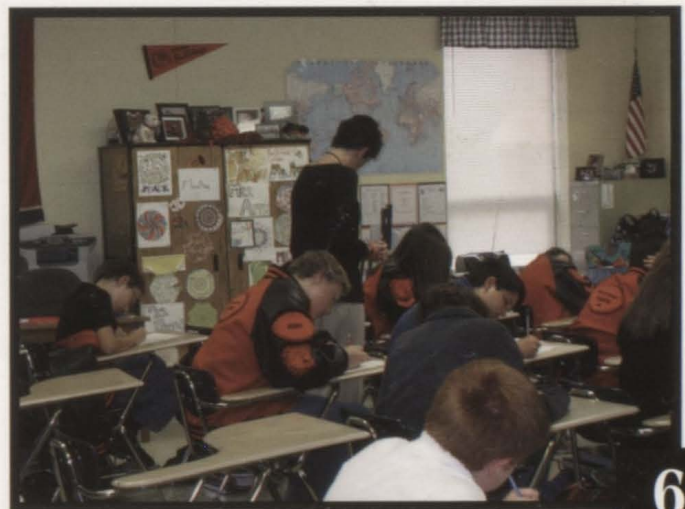

This year, how WILL WE  
answer these questions

4. Junior Beta students help to sort cokes during a fund raising project.

5. The Bulldogs take the field looking for another victory.

6. Ms. Amy Orr checks on student progress during a 7th grade world geography class.

The last year of high school is a wonderful opportunity for students to become leaders. It is a chance to grow and develop skills that will help these young men and women TAKE THE WORLD BY STORM when they graduate.

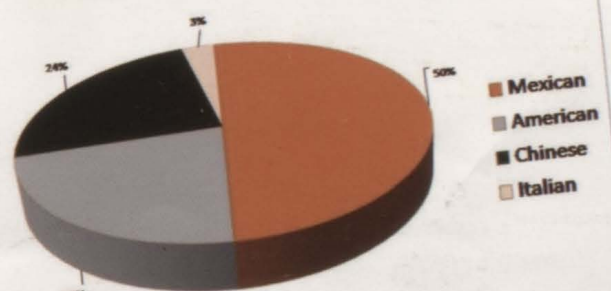

This school year came with many changes that gave the Class of 2011 several opportunities to step up and lead their classmates.

e4TN gave these seniors a chance to take classes previously not offered at GHS; on-line learning allowed them to earn college credits; dress code changes provided an interesting challenge. As you reflect on the 2010 - 2011 school year, did the seniors...

Your favorite brother (lol), Sam

Little Brother,

James,  
Always remember to set the bar high and never doubt what you can achieve in life. We are both really proud of you.

Love, Kelvin and Sarah Canaday

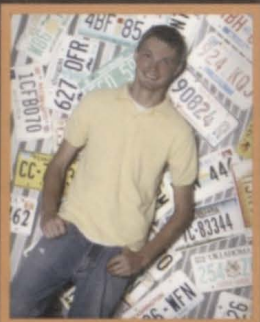

Dear James,  
God has blessed us with four wonderful children. We jokingly say that if you were born first we would only have one child, BUT seriously you have kept two old people young for 18 years. We are very honored to be your parents. You have been a great Christian teenager with some exciting moments. HAHA We are very proud of you and all your accomplishments in high school. You have shown that hard work and dedication will help you obtain your goals. But most of all you worked hard to help others and that shows your character and Christian walk in life. For life is not always about me, but what you can do for others. Keep God in the center of your life and you will have many blessings ahead.

Love, Dad and Mom

Tyler,

The past eighteen years have passed WAY too quickly. You have grown into a wonderful young man that we can't help but be proud of. We know without a doubt that you can achieve anything you set your mind to. So set your goals high, use your head, and listen to your heart. We love you more than you know!! And we can't wait to see all the new experiences that await you!

Love Ya Bunches,  
Mom, Dad, & Kylie

Sara, you have grown into such a beautiful young lady. You are bright and smart and you know right from wrong. You put others first and then yourself. You have a kind heart and beautiful soul. Your honesty and faith makes me love you even more than I thought I could. I am so proud to be your mother and I thank God everyday for giving you to me. Always stay true to yourself and always believe in yourself. My only wish for you is to always be happy and to enjoy life.

All my love,  
Mom

Brianna,

We are so proud of ALL of your many accomplishments during the past 18 years. You have learned so many valuable life lessons already and will learn many more as you continue on your career path.

We are proud that you have worked so hard, hung in there through difficult times, accomplished what you set out to do with high standards, and now you are graduating and moving on toward a new chapter in your life, another new beginning.

As you enter this new phase of your life, pray that God will give you wisdom, understanding, and direction regarding decisions you will need to make each and every day. Always live your life so that those around you will know you as a person of integrity and high moral character.

Spread your wings and fly, enjoy every moment, and keep becoming all you can be!

We Love You!!  
Dad, Mom, and Chase

Congratulations to our very beautiful and talented granddaughter. Brianna, you have grown into a truly inspiring young woman and we know you will continue that growth and be a joy to all who know and love you. Your hard work and dedication at Gleason prove that winners make it happen -

It seems like only yesterday God blessed us with such beautiful baby girls! Time has a way of slipping by . . . and the day is finally here . . . GRADUATION! As parents, this is one of the hardest times in our lives . . . letting you go. It is our prayer that you carry with you all that we have taught you both. Your faith in God will get you through the challenges and decisions you will face. This last year has proved that God can get us through some of the most difficult and trying times. I know it was so hard for you girls, but through it all, you were very strong. As parents, we realize how much of a treasure you are to us. You have made our lives rich and full of happiness and love. We are truly blessed and so proud to have you as our daughters. Even though you are beginning this new journey in life, always remember who you are and what you stand for. Remember life is not always fair, but God is always good. The sky is the limit for you both!!!

We love you so much,

My sweet Molly Hannah,

You have always been so precious to me. I am very proud of you. So often I think of all the good times we have had over the years - how we ran around all the time, especially to Thomas's to get powdered donuts and popsicles. But, we've moved on far beyond that, haven't we? Oh! I am going to miss you so much when you go to college. But, go do wonderful things, and I will think of you often.

Love,  
Beh

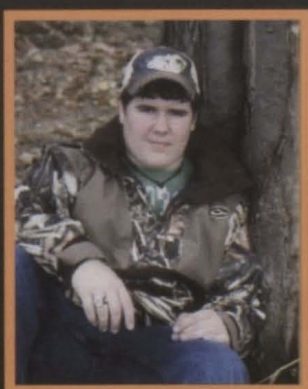

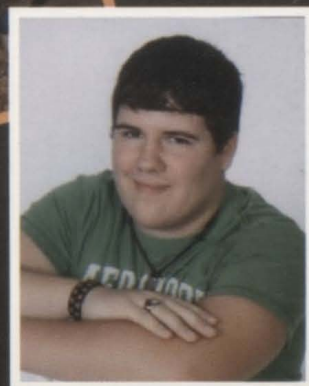

Camille,  
We are so proud of our "baby girl." You have grown into such a loving and caring young lady. We are amazed at your decisions to stay true to your morals even if it means standing alone. There has been nothing more exciting than watching you play basketball from pee-wee, AAU, and GHS. We admire your leadership on the court and in your everyday life. We look forward to seeing you excel on a college level. Good luck as you start the next chapter in your life. Congratulations "baby girl." We love you!

Love,

My Son,

We believe in you. Believe in yourself and you can do anything that you set as a personal goal. Reach high, trust in your abilities and you may be wonderfully surprised at the outcome.

We love you, we'll always be there for you. You are a "GOOD SON." May God bless your future.

Love

Dear Becca,

Class of 2011

Though miles may lie between us, we are never far apart, for friendship doesn't count miles, it's measured by the heart.

Sara,

It has been a joy and a blessing watching you become the beautiful young lady that you are today. We hope only the best that life has to offer you. Remember to stay true to GOD and to yourself. We are extremely PROUD of you and all of your accomplishments. And remember most of all: NEVER EVER "SETTLE" We love you more than words can say.

Dad, Jesse, and Tucker

Camille,

From the doorknob print in your forehead to the basketball fights in the driveway, I think I can take the credit for making you tough. You may have held up the family tradition with your State Farmer Degree, but remember, Dad and I still hold a state FFA team ranking. Congratulations on your accomplishments. Enjoy every second of your college life. Good luck in the future.

I love you Sis,

Caleb

Becca and Kaitlyn,  
To two little girls who have blossomed into such beautiful young ladies. You have made me so proud. You both have made so many good memories for me. All the nights you spent with me I really enjoyed so much. PaPa would have been so proud of you. Keep God in your life and everything will be good. I love you dearly.

Throughout the school year, we spend a lot of time with our friends. We grow closer to old friends and hopefully make several new ones. The day to day routine of school forces us to come face to face with people we may have otherwise never encountered. Luckily, we sometimes get the chance to meet these people and become a part of their lives. As you reflect on the 2010-2011 school year, did you . . .

Teachers expect all students to come to class prepared, follow directions, study hard, pay attention, participate in class, and do all assignments. Students sometimes find it hard to follow all these rules, but in the end, they will admit that it helped them do their best. Teachers always desire for students to succeed. # WEAKLEY COUNTY LEADERSHIP

Paige Lowry

Paige thinks this program is a very helpful and learning experience, and she believes freshmen should be recommended to be a part of this program. She says everyone learns more about the county, learns to be leaders, and learns how to interact with other people.

Blake Taylor

Blake says he learned to lead and interact with people of all ages.

First State Youth Leadership of Weakley County is a community leadership program that identifies and assists talented students who want to learn more about the challenges that Weakley County face, develop and apply community leadership skills, make informed decisions, and network with like-minded students in problem resolution.

Tucker Kail

Tucker was inspired by Mrs. Barbara Virgin. He said she was a very driven and motivated lady who exhibited patience and was excellent in leading the programs.

Austin Perry

Austin enjoyed learning about the projects such as Santa's Village.

Wil Freeman

Wil's favorite day was Team Kickoff day.

## SCOPE

Conner Vendell & Sami Vendell

Sami stated this about SCOPE, "We participated in mock school board meetings to discuss dress code, random drug tests, and cell phone use during school.

# Gleason School Library

Above: Librarian Mrs. Amy Lawrence and her assistant, Mrs. Debbie Hagler are surrounded by a group of excited second grade students.

The Box Tops for Education Program is a vital fundraiser for the Gleason School Library. With annual Box Top money, the library funds AR and Library Winner incentives. Gleason School's goal for this year was set at 15,000 Box Tops. Students brought in 15,142 Box Tops and were rewarded by sending two teachers "to the roof." 4th grade teachers, Kristie Arnold and Gail Muzzall, spent an entire day on the roof of the school and were visited by various elementary classes, who did cheers, sang songs, and threw paper airplanes to the two teachers. To the students' delight, Mrs. Kristie and Mrs. Gail sprayed the students with water from the roof of the school. A big thanks goes out to Mrs. Kristie and Mrs. Gail, for their faithful support of the Box Top Program at Gleason School.

On March 2nd, students across the nation celebrated "Read Across America Day," a tribute to the critically acclaimed, highly popular children's author, Theodore Geisel--better known as the beloved "Dr. Seuss." At Gleason, some students enjoyed dressing up as the "Cat in the Hat" and eating green eggs and ham while others participated in a "Reading Buddies" program, which paired students of different age-levels to read Dr. Seuss books together.

Accelerated Reader is a  
computer-based  
program focusing on  
reading comprehension.

First, students check  
out an A.R. library book  
at their individualized  
reading level. After reading the book,  
students have the opportunity to take a test  
on the content of the book. For each test passed,  
students earn points, depending on the length and  
difficulty of the book. At Gleason School, students  
may choose to compete in the A.R. Contest for prizes  
such as trophies, cash, medallions, and trips out to  
eat. These reading incentives are funded by the  
Gleason School Box Top program, which  
brought in over \$1500 for AR in the  
Gleason Library during this school  
year. The mission of the Gleason  
School Library is to strive to instill  
and nurture a life-long love of  
reading in every student.

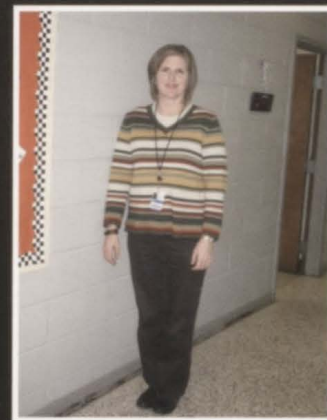

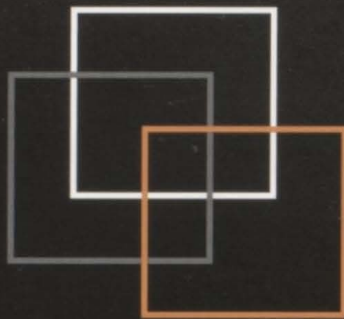

Junior High and High  
School Accelerated  
Reader Winners enjoyed a  
trip out to eat at El  
Vallarta Restaurant in  
McKenzie. Seen here is  
A.R. Winner Hunter Ivy,  
enjoying himself immensely  
during the trip.

Gleason School provides many opportunities for students to make a difference in their school, community, and country.

Clubs at the middle school and high school take part in a variety of community service projects. The High School Beta Club kicked off our school year with a school beautification day. Christmastime found the Spanish Club singing Christmas Carols at our Hometown Christmas and the Student Council serving at the Senior Citizen's Luncheon. FCCLA spent the winter providing warm clothing through "Jackets for Joy." Junior High Beta members did their part by distributing clothes to those in need. Spring found the entire school partnering with FCCLA to support Relay for Life. As you reflect on the 2010-2011 school year, did we . . .

# WILL WE . . .

1. The Pee Wee football team works hard each week as they develop skills to help them become successful varsity players.

2. Senior Nick Poore concentrates on the task at hand as he attempts to take home money during the homecoming "Minute to Win It" challenge.

3. The high school cheerleaders perform their routine during halftime of the homecoming game.

In sports, it's all about competition and being the best. You can't be the best without giving your best. At Gleason School, we have a great athletic program from pee wee to varsity. Our unique K-12 setting allows for high school athletes to mentor younger athletes through encouragement and instruction. From homecoming activities to field days to organized team sports, athletes at Gleason School give 110 percent of themselves in order to be a competitive Bulldog! As you reflect on the 2010 - 2011 school year, did you . . .

push it to the limit? ?

Head Coach Noah Lampkins, Assistant Coaches Bryan Sanders, Mike Bennett, Jason Stephens, and Albert Collins

"The 2010 Bulldog football team concluded the season with a 4-6 record. The team played hard, did an excellent job of representing the school, and never showed any signs of giving up. The Bulldogs look to bounce back in 2011 with a strong core of upcoming senior players returning."

Head Coach Noah Lampkins

This past spring, Gleason School was saddened when Coach Sam Guthrie passed away. Coach Guthrie was a former coach, long-time Bulldog supporter, friend and mentor to current head coach, Noah Lampkins. When asked what was the best advice Coach Guthrie had ever given him, Coach Lampkins said, "Take care of the little things. When you focus on the little things, big things can happen."

Senior Hunter Morse was injured during a pre-season scrimmage. However, he stood on the sidelines every game and cheered for his team.

Senior Nick Poore leads a group of Bulldogs as they take the field.

Senior James Owen leads the way for the Bulldog ground attack.

This year, one of our freshman players suffered a football injury against McKenzie resulting in a broken neck. Drake Damesworth spent months in therapy at a hospital in Atlanta, Georgia. In this photo, seniors, Dalton Teeter and James Owen, along with Drake's father, Allen Damesworth, stand at mid-field for the captains' meeting.

When asked about his favorite game of the season, senior Dalton Teeter said, "Greenfield because my family was there, we had a lot of fans, and it was a big rival game. The whole team was having fun and playing football."

Senior Jordan Howington gets a pep talk from Coach Lampkins.

# Homecoming 2010

Homecoming week is a time for all students to express their school spirit and show support for the football team. The week is filled with activities such as dress up days, games, activities, and a pep-rally. Friday night begins with the presentation of the royalty before the game, the cheerleading routine at halftime, and ends with the grand finale - the Homecoming Dance.

# CHEERLEADERS

"Being Gleason School cheerleader sponsors has been one of the most rewarding and fulfilling experiences of our lives. We have many wonderful memories and have been blessed by the relationships made with numerous young girls over the years. The laughter shared, lessons learned through sports, and the opportunities for character development and leadership have hopefully molded the lives of many student athletes. The promotion of school spirit and the passion for school pride has and always will be our focus for the students who are privileged to cheer for the Gleason Bulldogs and Lady Bulldogs. We genuinely love and appreciate the hard work and dedication of the many girls who have devoted their time and efforts to the athletic program at GHS."

Mrs. Amy Orr and Mrs. Kay Hudson served as GJHS and GHS cheerleading sponsors for a combined 49 years. This past year, they turned over this responsibility to Ms. Paige Hughes and Mrs. Amy McKenzie.

In a small town like Gleason, the school is more than just a building. It is the heart and soul of the community. Through generous donations, time and money, the community partners with the school to build a strong foundation not only for the current generation, but also for future generations. Gleason School benefits from the passionate commitment of the local industrial community. Students, parents, and businesses are united in a common goal - to help each child develop to his or her fullest potential in all areas of life.
