## **Mr. Mitchell Parham**

Mr. Parham was honored at the Gleason School Athletic Banquet for having served in the Weakley County School system for 36 years. While at Gleason School, Mr. Parham taught American Government/Economics, assisted with girls/boys basketball, tennis and golf. He also served as assistant principal and athletic director before leaving to take on the role as the supervisor of the Weakley County Adult Learning Center. At the banquet he received many well wishes on his retirement from our school system.

## Sue Edwards

Gleason School lost a friend this year. For decades Mrs. Sue Edwards selflessly served students of Gleason by giving of herself, her time, her smile, and most of all her encouraging words. Her influence and legacy are far more valuable than any words could ever express.

Mrs. Sue  
 You always carried a smile.  
 You were the definition of dedication.  
 You walked this school for miles  
 never taking off for a vacation.  
 The halls will not be the same.  
 Your memory will be close to our hearts.  
 We will miss you, Mrs. Sue!  
 Always and forever in our hearts!

# Academic Banquet

Mr Charles Ross, a 1977 graduate from Gleason School, spoke to this year's top ten students at the Academic Banquet. Mr. Ross emphasized to the students to work hard, to never give up and to learn from life experiences. Mr. Charles Ross is the uncle of Hannah Lokey, a senior at Gleason School.

"A picture is worth a thousand words." For years the special moments at Gleason School have been captured by our friend Mrs. Tammy Morgan. She has shared in our lives by offering herself and her love for our students and their successes. Her professionalism is unmatched and her willingness to go above and beyond is one of the many qualities that make her so special. Gleason School will forever be in your debt and we wish you only the best in the years ahead. Your influence will forever fill the halls of this wonderful place.

Being a Christian **athlete** doesn't mean praying for your team to **win**. God doesn't give an edge to those who **pray** over those who don't. Hard work does that. Being a **Christian** athlete means competing for **Christ** in a way in which you always give your all for **Him**. Win or lose, you thank Him for the **ability and opportunity** to play. It means giving all the **glory** to God no matter the outcome.

# GHS Football

Football is a game of intensity and sportsmanship on and off the field. A game that requires full dedication, perseverance, hard work, and sacrifice. Vince Lombardi once said, "The price of success is hard work, dedication to the job at hand, and the determination that whether we win or lose, we have applied the best of ourselves to the task at hand."

Gleason High School football is under the leadership of head coach Noah Lampkins and assistant coaches Albert Collins, Mike Bennett, and Bryan Sanders.

# GHS CHEERLEADING

"I got confidence. My Lord's gonna see me through. No matter what the case may be, my Lord's gonna fix for me." The crowd hears this chant every night before the start of a Gleason game. It is tradition that the entire cheer squad huddles, with their right foot in the circle and prays together before each game.

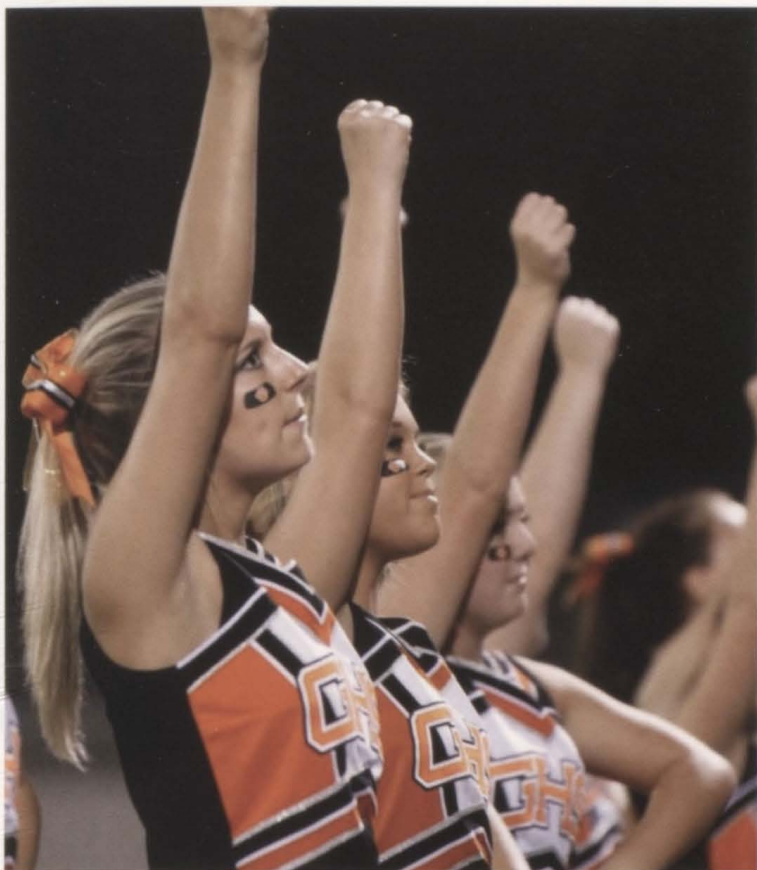

The Gleason High School cheerleading squad is sponsored by Mrs. Amy McKenzie.

# GJHS Football

"The smell of the field as you step out of the locker room, hearing the crowd yell as you run to the sideline, and the feeling you get as the kicker gets ready to kick the ball and start the game... that's what football is all about. You have to love the game to play it and leave everything you have on the field. Don't wake up the day after the game wishing you could have done something better because in life you don't get second chances. You have to play the game like it's life because when the clock runs out in life you don't want to be regretting the mistakes you made, so just play the next play."

"Basketball is taking the game and trying to make it your own while someone across from you is trying to prevent it. It's one of the best ways to learn about both yourself and another person, even if they are someone you will never see again. Every possession is your own superhero movie; trying to achieve your goal while your arch enemy tries to prevent you, then trade places. And even if you fail once, there is always another chance."

## 2015

Matthew,

When you were first born, I thought I knew just what to do but apparently I had a lot to learn along the way. You have definitely taught me how to love and appreciate all the special moments in life. I am so proud of the young man you have become and to call you my son. You mean the world to me and I will always love you. Stay strong and never change for anyone. I love you just the way you are.

Love,  
Mom

Matthew,

I am so proud of you shorty and will always love you. Wishing you the best in life and hoping all your dreams come true. Best of luck in college.

Love,  
Dad

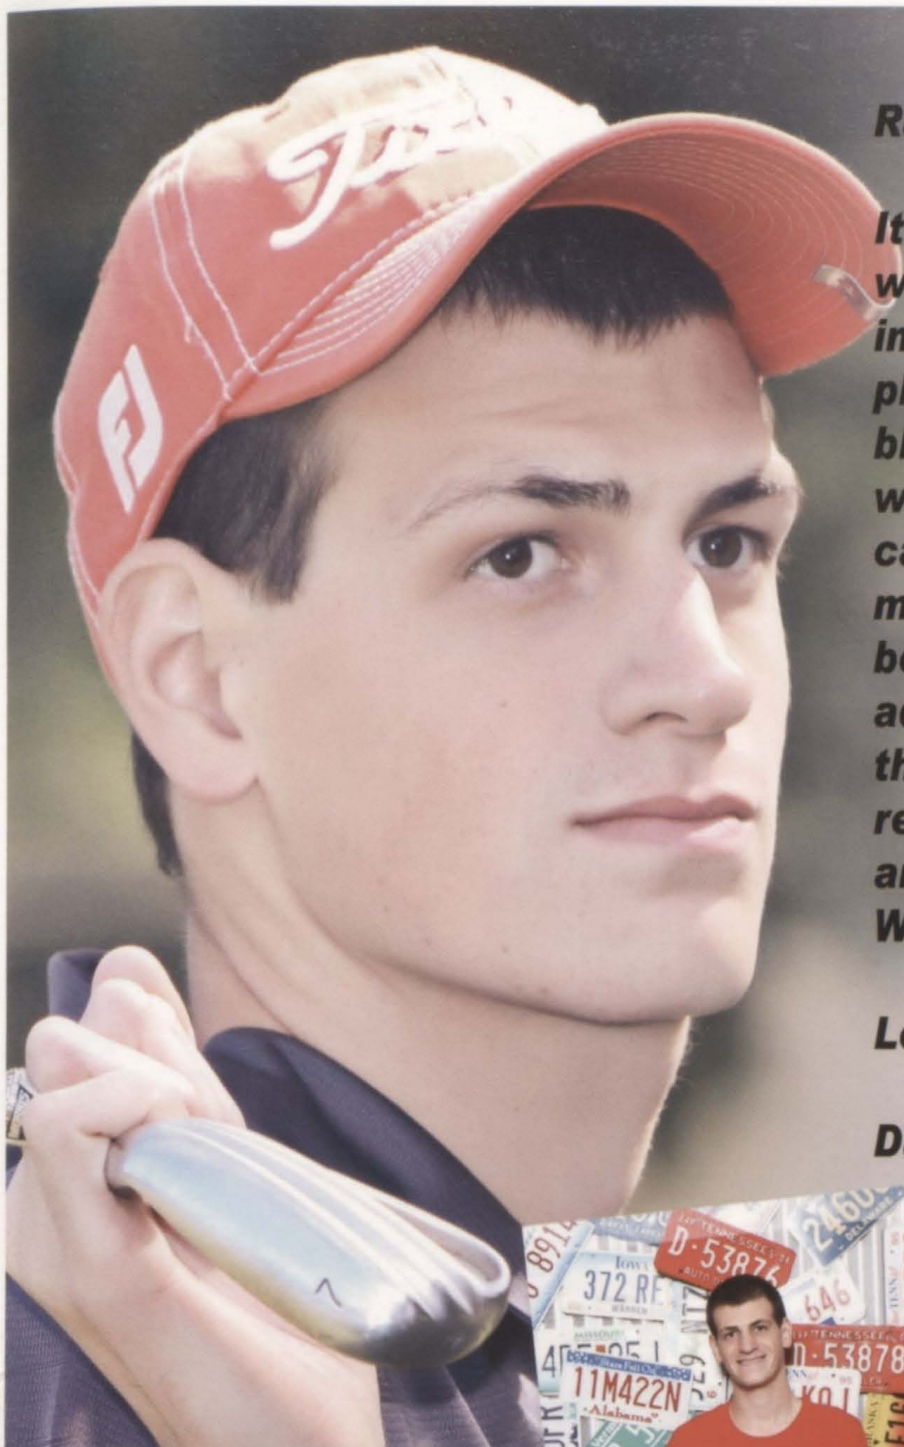

Hunter,

*It seems it wasn't very long ago that you were our sweet-faced, red headed, little boy. Almost every time we went shopping, the older ladies would stop to tell you how much they loved your red hair. Now, here you are ready to graduate. We are very proud of the young man you have become and we cannot wait to see what you accomplish next. The next four or five years will have a huge impact in shaping the rest of your life. We know if you set your mind to it, you will do great things.*

Love you,  
Mom and Dad

Commit to the Lord  
whatever you do,  
and your plans  
will succeed.  
~Proverb 16:3

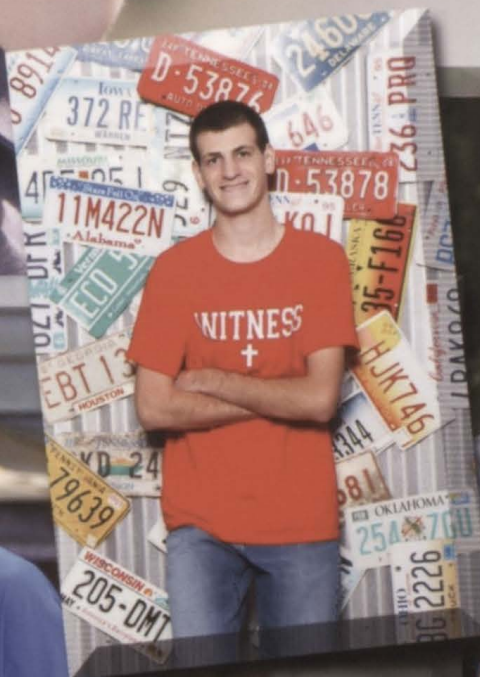

**Rance,**

**It seems like yesterday that you were a little fella running around in your Superman cape and playing Ninja Turtles. What a blessing it has been for us to watch you grow into a kind, caring and respectful young man. The world is yours, sweet boy, and we know you will take advantage of every opportunity that comes your way. Always remember that God has a plan and keep Him first in your heart. We are so proud of you!**

**Love you more!**

**Dad, Mom and Kate**

world of love-with wishes

Your passion and commitment to balance your faith, family, farm, school and friends is a true inspiration. We have enjoyed watching you grow into the hard-working, responsible and determined young man that you have become. You have had many successes in your life already. Ian,  
 Saying we're proud of you is a huge understatement. God combined the best of us into one fearless boy who never ceases to amaze us and make us proud. You've always met life head on whether it was learning to race motocross at five years old, teaching yourself to drum, or playing football. God has instilled such intelligence and potential in you and it's been amazing to watch you grow and mature. We are so excited to see what He has in store for you. It won't always be easy but just know we are always here for you. We are a team and you can always depend on us for love, support, and encouragement. We will always be your biggest fans. We love you!

<sup>11</sup> For I know the plans I have for you," says the LORD.
