"We take photos as a return ticket to a moment otherwise gone. We take photos to recall - with greater vibrancy - those experiences that have shaped and made us. We take photos to bridge distance and shorten time, to lend legacy to the little things and life to the forgotten."

Way to go Luke!

Luke Lawrence broke several records this year. He earned 10 trophies which is the most trophies ever won by a Gleason student in one year. He also set a school record by being the first student to win both of the school wide trophies. Also, he broke his own record by earning the most A.R. points an elementary student has ever earned.

The cheerleaders show off their stunts at the homecoming pep rally.

The cheerleaders root for the junior high basketball teams with pride.

WHAT ROLE DO CHEERLEADERS PLAY IN THIS SCHOOL?
 "We as cheerleaders support our team. We cheer them on and pump up the crowd. Our job is to excite the students at pep rallies and always encourage them to come to the game later that night. We are always striving to have the loudest cheering section. We try to represent our school in the best possible way through the halls and our community."
 - KILEY CORBIN

HOW DO YOU ENCOURAGE YOUR TEAMMATES?
 "I encourage my teammates by finding something positive about their abilities, and I try to motivate them to do their best. When we are doing our best as individuals, our team can reach its fullest potential."

"This season was one of the best I've had since coaching softball. This team met most of the goals we set before the season and played hard from start to finish all season long. I appreciate all the hard work and dedication of every single player this year. This group of seniors got to enjoy winning records in 3 of their 4 high school seasons and have helped move our program into a tradition of high expectations. I can't express how proud I am of the success we had this year and look forward to working with next year's team."

Boys State

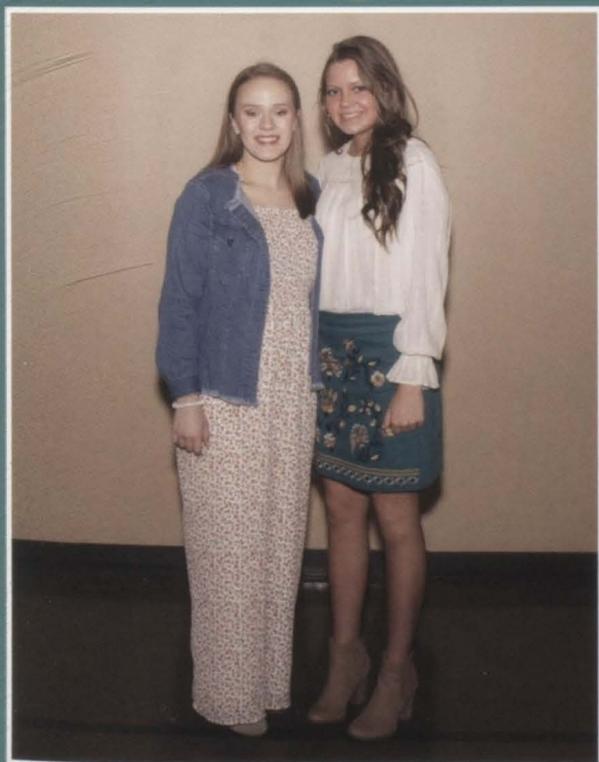

Seniors, Seth Jones and Hart McKenzie, attended Boys State held on the campus at Tennessee Technological University. They learned about the organization of city, county, and state governments. They participated in many different activities and learned many helpful skills.

D.A.R.

The Daughters of the American Revolution Good Citizen program and scholarship contest encourages and rewards the qualities of good citizenship. The student that is selected must have the characteristics of dependability, service, leadership, and patriotism to an outstanding degree. Chloe Martin was chosen as this year's recipient of the D.A.R. award.

Scope

Two juniors attended the Scope conference at Middle Tennessee State University in Murfreesboro, Tennessee. This year Martha Nichols and Kenady Atkins had the honor of attending the conference with six other students from Weakley County,

During the conference, the juniors are divided into groups with other students across the state and debate various issues relevant to modern Tennessee education. A speaker is determined for each group, and the group prepares him or her to debate a specified issue in front of the entire conference crowd.

Republic

Congratulations Edward!

Senior Edward Castleman was awarded Bethel University's prestigious Hendrix Scholarship. The scholarship is comprised of a grueling two-day process of an exam, an essay, and an interview. Edward was chosen out of 23 other Hendrix competitors. The Hendrix provides free tuition, along with room and board at Bethel for four years (accounting for a total sum of over \$100,000).

Back: Gleason Principal Mr. Lee Lawrence and Weakley County Superintendent Mr. Randy Frazier
Front: Hendrix winner Edward Castleman and Bethel President Mr. Walter Butler
