**CONTRACT TO FURNISH FIRE PROTECTION COVERAGE TO AREAS OUTSIDE
THE CORPORATE LIMITS OF GLEASON, TENNESSEE**

For and in consideration of the sum of \$100.00 per year to be paid to the City of Gleason on or before June 1st of each year by the owner or tenant, the party hereto agrees to the following:

The City of Gleason Fire Department will answer fire calls to the dwelling, other buildings, motorized vehicles, grass fire or other types of fires of the owner or tenant subject to the limitations provided herein.

The agreement to furnish coverage shall commence at 12.01 a.m. on the day following the execution of this Contract and terminate at 12:00 midnight on the following May 31st unless the owner or tenant pays the next annual payment prior to said renewal date. This contract shall run for a term of one (1) year.

Should the owner own, or tenant occupy more than one parcel of land (as designated on the Weakley County tax map), a separate contract must be executed for each parcel of property to be covered. A single owner/tenant will not be charged for more than five (5) separate parcels.

The owner/tenant expressly relieves the City of Gleason from any and all liability or obligation for any injury and/or damage caused by any fireman, city employee, or other persons acting under the direction of the City, or city equipment used in the performance of this contract, and further expressly relieves all personnel individually from any liability under this contract.

The agreement of the City of Gleason to answer fire calls, as set out above, does not affect the provisions of the City of Gleason ordinance requiring that payment be made for out-of-town fire calls to which a response is actually made. The owner/tenant (or insurance carrier thereof) who is a party to this contract shall remain liable for payment of the charges levied under such ordinance for fire calls when personnel and equipment respond to the scene of the incident.

A charge of \$750.00 will be billed to the property owner or name that appears in the contract for each fire-call made.
